Love's Windswept Embrace Michalann Perry,1990      *In the Evening, We'll Dance: A Memoir in Essays on Love & Dementia* Anne-Marie Erickson,2025-08-20 How does a loving committed marriage survive the effects of dementia In her deeply personal and daringly original memoir Anne Marie Erickson lays bare the onset and eventual passing of her husband from dementia Her writing is multidimensional poetic as it weaves together fragments of word origins mythologies and Biblical passages Infused with the author s love and compassion this compelling memoir pierces the mysteries of living and dying Yes it s much about her husband s tragic affliction but it also moves beyond that to where we can gain invaluable lessons on how to love and endure in the face of a debilitating illness      **Fragrance Of love** Rehana Zehra,2023-10-08

Fragrance of love is a powerful thing It can make you feel happy sad or even nostalgic It can transport you to a different time and place And it can remind you of someone you love I remember the first time I smelled the fragrance of love I was walking down the street and I caught a whiff of something so sweet and intoxicating I followed the scent until I found its source a young couple walking hand in hand and laughing I stood there for a moment just watching them They were so in love and it showed in their every gesture The way they looked at each other the way they touched each other the way they laughed together It was all so beautiful And then as if they could feel my eyes on them they turned to look at me And in that moment I knew what love was It was the feeling of being completely and utterly at peace It was the feeling of being home It was the feeling of being loved I smiled at the couple and they smiled back And then I turned and walked away carrying the fragrance of love with me I have never forgotten that moment And I will never forget the fragrance of love      *The Wind-swept Wheat* Mary Ainge De Vere,1903      **Touched by Fire** Michalann Perry,1991      **Love's Captive Heart** Phoebe Conn,2017-12-26

about romantic love but I don't let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love's painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us about its purpose as the most powerful force in existence Since the beginning of time as we know it it has lived and breathed its testimony serving to inspire This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me I have always enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps find release through my various themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love's Reflection **Annals of Iowa**, 1993 **Taeji's Dilemma** Sunho Na, 2025-06-09 Taeji is a Korean Canadian man caught between two cultures two women and the weight of his own contradictions After chasing an engineering degree to please others he wakes up mid pandemic questioning everything his career his relationships even his will to live By day he builds weapons in Vancouver By night he navigates love lust and lies between A a fierce med student pushing him to grow and Soojin a tender soul from rural Korea who sees only his potential Taeji isn't just torn he's unraveling Haunted by existential questions and fueled by desire Taeji's Dilemma is a raw intimate journey into the modern male psyche It's about love without boundaries freedom with a cost and the quiet war between who we are and who we pretend to be *Afraja; Or, Life and Love in Norway* Theodor Mügge, 1865 **Playing Mr. Perfect (The Bradens at Ridgeport) Love in Bloom Steamy Contemporary Romance** Melissa Foster, 2025-02-12 Quarterback Clay Mr Perfect Braden is determined to show sexy scientist Pepper Montgomery the benefits of hands on research in PLAYING MR PERFECT the first book in the Bradens at Ridgeport series by New York Times and Wall Street Journal bestselling author Melissa Foster Loaded with heat humor and heart this steamy small town opposites attract standalone romance is unputdownable No cheating no cliffhangers and a happily ever after that will leave you breathless What happens in Paris stays in Paris right Oh Pepper If only Okay I admit it Sleeping with the NFL quarterback who the media has dubbed Mr Perfect might not have been the smartest move but I'm in the City of Love I'd had a few drinks and was jacked up on giddy girl talk and hopeful hearts two things I never buy into and I threw caution to the wind I want to sneak out before he wakes up but when I open my eyes he's already up In more ways than one Convincing the ridiculously cocky pun intended man that I'm not the woman he slept with last night is awkward Actually he makes it impossible The thing is I don't even

**Love You Dead** Max Houdek, 2016-12-05 Nuzzled deep in the backwoods of Maine the town of Loganville has existed in relative peace and quiet since America's inception But like every small town there are secrets that lie buried just beneath the surface things most people have chosen to forget or ignore One day Gwen Sinais hopes this includes her and her mother a crazed zealot that most people refer to as the Prophet of Loganville Gwen has carried her mother's reputation with her for her entire life The other kids shun her their parents give her weird looks and Gwen wants nothing more than to run away and never see another person again for the rest of her life That is until of course she meets the mysterious boy who hangs out by the graveyard She may even be attracted to him But stranger things are happening around town The town seems quieter than normal except for the odd sounds people have been reporting Bodies have been disappearing from the cemetery A meteor has even fallen from the sky As a steady mist starts to roll into town and the prophet's fictions start sounding more and more like fact the town begins to teeter on the edge of chaos And that's when the zombies show up
