instructions that you must reside in the property for one full year to claim your inheritance Should you choose to accept please find enclosed the key and directions Isabella had been desperate Her small apartment in Lisbon had become unaffordable after losing her job at the publishing house and her savings had dwindled to almost nothing The inheritance seemed like a miracle even if it came with the strange stipulation of living in this remote place for a year As she approached the front door her footsteps echoed hollow against the stone The mansion s windows stared down at her like vacant eyes most of them dark though she could have sworn she saw a flicker of light in one of the upper floors The thought sent a chill down her spine The front door was massive carved with intricate patterns that seemed to shift in her peripheral vision Isabella inserted the key surprised when it turned easily The door swung open with a prolonged creak that echoed through what appeared to be a grand foyer
