The Loves of Franz Kafka Nahum Norbert Glatzer,1986 **The Loves of Franz Kafka** Nahum Norbert Glatzer,1986
Bibliography p 83 **Forgiving the Angel** Jay Cantor,2014-11-18 A thought provoking sometimes heartbreaking sequence of stories based on a group of real people held together by their love of Franz Kafka Here friends fans and lovers find themselves haunted by the death of the great author Imbued with a gravitas and dark irony that recall Kafka s own work these stories nonetheless also bear the singular imaginary stamp and the keen psychological and emotional insight that have marked all of Jay Cantor s writing **The Deep Heart of Franz Kafka** Deepak Gupta,2024-11-30 Don t bend don t water it down don t try to make it logical don t edit your soul according to fashion Rather follow your most intense obsessions mercilessly Franz Kafka Franz Kafka wrote I am free that is why I m lost Assume you wake up and the entire world is against you You want to follow yourself but the people are dominant on you to do what they want We don t feel chains until we move Franz Kafka was not a body to be defined but a soul and heart to be felt When you zoom out on his life you will find only a miserable life and a soul that was stubborn to his writings and events and nothing else and you may feel he was perpetually afraid of social life friends and even his own marriage and resulting Kafka never married his entire life and had no children He was a personality who blamed himself more than other people Even his own father Hermann Kafka was against his writing profession and in that dominance he carried out that long exhausting job of an insurance clerk for too long examining dead bodies and even after he created enough time for writing and crafted the eternal masterpieces like *The Trail* and *Metamorphosis* even though he told his literary editor and best friend Max Brod to burn all his scripts unread after his death but fortunately he didn t Kafkaesque the surrealism of Kafka is widely popular in the entire world It s a state of strange confusing oppressing and nightmarish situation like what Kafka felt in his entire life His novels are a depiction of surrealism and his state represents where people feel powerless against big not like a hermit that wouldn t be enough but like a dead man Franz Kafka *Kafka in Love* Jacqueline Raoul-Duval,2012-11-13 Kafka was an attractive slender and elegant man something of a dandy who captivated his friends and knew how to charm women He seemed to have had four important love affairs Felice Julie Milena and Dora All of them lived far away in Berlin or Vienna and perhaps that s one of the reasons that he loved them he chose long distance relationships so he could have the pleasure of writing to them without the burden of having to live with them He was engaged to all four women and four times he avoided marriage At the end of each love affair he threw himself into his writing and produced some of his most famous novels *Amerika* *The Trial* and *The Castle* In this charming book author Jacqueline Raoul Duval follows the paper trail of Kafka s ardor She uses his voice in her own writing and a third of the book is pulled from Kafka s journals It is the perfect introduction to this giant of world literature and captures his life and romances in a style worthy of his own **Love's Comedy by Henrik Ibsen - Delphi Classics (Illustrated)** Henrik Ibsen,2017-07-17 This eBook features the unabridged text of *Love s Comedy* by Henrik Ibsen Delphi

Kierkegaard and the Philosophy of Love Michael Strawser, 2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard's writings as he argues that the central issue of Kierkegaard's authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self love possible How can I love God and themes love's immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide ranging analysis of Kierkegaard's writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard's writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser's argument that Kierkegaard's writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard's writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force

Sea Lovers Valerie Martin, 2015-08-18 Twelve extraordinary short stories from the award winning bestselling author of Property that explore human morality and our shared losses and joys shifting from realism to myth from the Louisiana bayou to the streets of Rome and beyond Complex and wonderful A long cool drink of water The New York Times Book Review In these stories Martin mines her three literary preoccupations animals artists and metamorphoses to unforgettable effect In The Consolation of Nature a family battles a

giant rat that has invaded their home The Open Door follows an American poet in Rome forced to choose between her lover and a world so new it takes her breath away In Et in Academic Ego a seventeen year old bayou orphan falls in love with a centaur who transforms her life And the title story conjures up a hideous mermaid who fatally seduces a fisherman Sophisticated incisive deeply felt and always surprising Sea Lovers showcases the enduring work of an indispensable writer

Love, the Ultimate Apologetic Art Lindsley, 2009-09-20 Defending the Christian faith is a multidimensional task But central to that task must be the presentation and example of the uniqueness of Christian love Author and apologist Art Lindsley explores the persuasive and illuminating power of Christ like love expressed in commitment conscience community and courage Such love Lindsley shows us does indeed bear ultimate witness to the living truth of Jesus Christ Love and Friendship Jane Austen, 2016-06-10 Written in a series of letters to the daughter of a friend Love and Friendship tells of a young girl's path to betrayal by way of a seemingly ecstatic marriage It is accompanied by The Three Sisters another expertly crafted epistolary novel When a noble youth arrives unannounced to request the hand of the matchless Laura it seems their future is one of contentment and bliss that is until his family learn of the marriage and one by one reject the new bride Such begins the series of unspeakable events that make up Laura's lot in life But tragedy and comedy here go hand in hand as Austen delivers a stringent satire on drawing room society brilliantly heralding her later masterpieces Schadenfreude, A Love Story Rebecca Schuman, 2017-02-07 A wild and wonderful ride from a comic memoirist who writes brilliantly about Germany and Germans and being young and insane just read it ok Dave Barry Pulitzer Prize winning New York Times bestselling author of Best State Ever You know that feeling you get watching the elevator doors slam shut just before your toxic coworker can step in There's a word for this mix of malice and joy and the Germans invented it It's Schadenfreude deriving pleasure from others' misfortune Misfortune happens to be a specialty of Rebecca Schuman and this is great news for the Germans For Rebecca adores the Vaterland with a single minded passion Let's just say the affection isn't mutual Schadenfreude is the story of a teenage Jewish intellectual who falls in love with a boy who breaks her heart a language that's nearly impossible to master a culture that's nihilistic but punctual and a landscape that's breathtaking when there's not a wall in the way Rebecca is a misunderstood 90's teenager with a passion for Pearl Jam and Ethan Hawke circa Reality Bites until two men walk into her high school Civics class Dylan Gellner with deep brown eyes and an even deeper soul and Franz Kafka hitching a ride in Dylan's backpack These two men are the axe to the frozen sea that is Rebecca's spirit and what flows forth is a passion for all things German At once a snapshot of a young woman finding herself and a country starting to stitch itself back together after nearly a century of war Schadenfreude A Love Story is a hilarious and heartfelt memoir proving that sometimes the truest loves play hard to get Spit out your schnitzel funny Pamela Druckerman New York Times bestselling author of Bringing Up B b The Materiality of Love Anna Malinowska, Michael Gratzke, 2017-09-27 Drawing on love studies and research in material cultures this book seeks to re-examine love through materiality studies especially their recent

incarnations new materialism and object oriented philosophy to spark a debate on the relationship between love objects and forms of materializing affection It focuses on love as a material form and traces connections between feelings and materiality especially in relation to the changing notion of the material as marked by digital culture as well as the developments in understanding the nature of non human affect It provides insight into how materiality in its broadest sense impacts the understanding of the meanings and practices of love today and reversely how love contributes to the production and transformation of the material world [First Love by Ivan Turgenev - Delphi Classics \(Illustrated\)](#) Ivan Turgenev,2017-07-17
