The Best Day of Someone Else's Life Kerry Reichs,2024-04-16 Despite being cursed with a boy s name Kevin Vi Connelly is seriously female and a committed romantic The affliction hit at the tender age of six when she was handed a basket of flower petals and ensnared by the marry tale The thrill the attention the big white dress it s the Best Day of Your Life and it s seriously addictive But at twenty seven with a closetful of pricey bridesmaid dresses she ll never wear again a trunkful of embarrassing memories and an empty bank account from paying for it all the illusion of matrimony as the Answer to Everything begins to fray As her friends choices don t provide answers and her family confuses her more Vi faces off against her eminently untrustworthy boyfriend and the veracity of the BDOYL Eleven weddings in eighteen months would send any sane woman either over the edge or scurrying for the altar But as reality separates from illusion Vi learns that letting go of someone else s story to write your own may be harder than buying the myth but just might help her make the right choices for herself **For God So Loved the Inner-City** Phil Mortensen,2008-03 The ministry of Phil and Fran

Houston,2016-04-21 In This Is My Story I Once was Lost Volume II Theron J Houston continues with an anthology of his life In this book you will see how God has become an essential part of his life and his discovery of the power of prayer When your life appears to be out of order and out of control we all still have a God that is a God of order and he is still in control This book will not only make you think but it will inspire you and inform you that our Heavenly Father has a divine purpose for your life **Someone Else's Wolf** Hollis Shiloh, Shane is a burned out cop trying to mind his own business Peter s the new wolf at the precinct Nerdy awkward and oddly attractive and he seems strangely drawn to Shane Peter already has a partner on the job the jealous and protective Sue So what s the deal Maybe he wants something else from Shane Maybe his interest is purely personal and not in the least professional Shane s starting to feel pretty unprofessional himself But having feelings for Peter is riskier than Shane could ever have guessed 56 600 words **Adam, Take Your Position** Gloria Ward, Ph.D,2013 Marriage was created and designed by the Creator God not man made marriage God designed marriage between one man and one woman uniting them in holy matrimony The two are to come together as one flesh in a joyous and fulfilling relationship Marriage is covenant

commitment and companionship meant for a lifetime Gloria Ward's insightful sequel to *Eve Get In Your Place* is a call for Christian husbands to take their rightful leadership positions in the home It provides biblical principles on the husband's role and responsibility in the marriage Just as God made marriage He also established a divine order for the home God commands that husbands love their wives as Jesus loved the church and gave Himself for it Wives are to submit unto their husbands as unto the Lord It is not about the husband being superior Rather a husband's authority lies in being an obedient responsible leader servant to his family Submission does not mean that a wife is slave to her husband Rather she is submitting to her Lord and obeying His direction for her home The Bible the inspired Word of God gives instructions on how the husband and wife are to treat each other Since God is the designer why not try marriage His way before heading to divorce court God hates divorce Dr Ward will help you discover what God has said on the subject of marriage Knowing God's perspective will help both husband and wife to properly function in what will be a blissful union

Impermanent Footprints Jill Marcy, 2010-05-20 As I leave my time on this earth I know that my footprints on it are silent

invisible and impermanent upon its surface My existence is only recorded by those I've known in my life in their memories of me These too are impermanent and will in time fade and become no more This is the cycle of life I write this book as a personal record of my viewpoints interpretations of what I have viewed and experienced whilst on my earth walk My motivation to write it is like many before me and many more after I am gone To leave a vision in print for others to reference to or use as a signpost towards a path upon which they might like to journey themselves I write this book of reference mainly for my sons for when I am gone they will in time forget my voice of guidance and this book will be a way of keeping my teachings and guidance available for them to tap into if they need once I am no longer here physically I began to write this book in the year 2007 I am now reaching my mid 40s and am beginning to start my reflective years of living My generation has been given the name of the X generation which is interesting due to the content of my book falling into the X factor However if you ask my sons they would have you believe that I'm well into being OLD In history men and women were respected in their elder years as the tribes and cultures of those times valued their wisdom which they contributed to the younger members of the tribe Storytelling was a valued tradition as it was in that time the only way to hand down knowledge so it could continue on through the younger generations In our modern society this tradition is considered barbaric and youth is valued now and society continues to endorse how to stay YOUNG
