Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In *The Significance of Interpersonal Forgiveness in the Gospel of Matthew* he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew's point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God **The Love of Enemy and Nonretaliation in the New Testament** Willard M. Love of Enemies William Klassen, 2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and be returning as warriors of peace to long neglected biblical resources

Beyond Retribution Christopher D. Marshall, 2001 Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles But is this approach truly consistent with the teaching of Scripture To date very little has been done to test this claim Beyond Retribution fills a gap by plumbing the New Testament on the topics of crime justice and punishment Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to mainstream society He then surveys the extent to which the New Testament addresses criminal justice issues looking in particular at the concept of the justice of God in the teachings of Paul and Jesus He also

examines the topic of punishment reviewing the debate in social thinking over the ethics and purpose of punishment including capital punishment and he advocates a new concept of restorative punishment The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders Publisher **Traditional Christian Ethics** David W. Gorman,2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis **The Nonviolent Messiah** Simon J. Joseph,2014 When scholars have set Jesus against various conceptions of the messiah and other reemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J. Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth's relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding *Commentary on Thomas Aquinas's Treatise on Divine Law* J. Budziszewski,2021-04-15 Thomas Aquinas's classic Treatise on Divine Law is brought to life in this illuminating line by line commentary which acts as a sequel to Budziszewski's Commentary on Thomas Aquinas's Treatise on Law In this new work Budziszewski reinvestigates the theory of divine law in Aquinas's Summa Theologiae exploring questions concerning faith and reason natural law and revelation the organization of human society and the ultimate destiny

Biblical Boundaries of Forgiveness Vee Chandler,2021-11-23 In this well researched and ethical study Vee Chandler combines insight gathered from the writings of scholars and Christian philosophers with personal observations and biblical perspectives to examine the nature and value of forgiveness and help those struggling with the concepts of repentance forgiveness and reconciliation Chandler begins by exploring key questions such as When does God forgive and not forgive and What is God s wrath and mercy and then attempts to answer these questions by first defining terms according to their scriptural usage She then examines the relationship between repentance forgiveness and reconciliation according to the biblical model In the second section Chandler exegetically scrutinizes scriptural texts related to interpersonal forgiveness as well as passages concerning how God s people should relate to their enemies and to evil persons Finally Chandler examines the ethics of forgiveness from a moral and philosophical point of view and ultimately establishes a model for forgiveness and reconciliation based on the biblical pattern and defended from a logical and ethical perspective Biblical Boundaries of Forgiveness embraces the contribution of Christian philosophers while examining the nature and value of forgiveness from spiritual and moral viewpoints
