Through her poetry, she explores and reveals the struggles of day-to-day life. From the trials of being a wife, mother, and daughter to her struggles to overcome rape, suicide, poverty, homelessness, and the infidelities of her marriage, she bares it all. Through her poems, readers will find inspirational strength, hope, love, and romance, as well as an emotional bond with the writer. Shayla consolidates all her life experiences, the bad and good, as the building blocks which have provoked her to write this intricate piece of art. She inspires everyone to not only dream but to take step-by-step actions to make their dreams become reality. **Magic Starts with You** Peter Jam, 2022-06-29 This book is backed by MagicDogs.net, which was founded on fundamentally changing the way folks approach pet training. The last chapter is named *The Approach* rather than *demanding Obedience* using force or treats; it's focused on two-way trust in a relationship. This relational approach of Doggy Education resonates in its ethical relationship with all humans as well as other sentient beings. This book brings the readers into a robust relationship between them and their pets, dogs starting with themselves because Magic starts with You. **A Commentary on the Letters of John** David Pawson, 2015-10-12 A New Testament study by David Pawson explaining clearly
