contributions to these important subjects Moreland concludes the volume with his own essay Reflections on the Journey God's Design for the Church (Foreword by Glenn Lyons) Conrad Mbewe, 2020-09-15 What Is the Church Ahead Foundational Truths from God s Word At the beginning of the twentieth century Christians in Africa numbered approximately nine million by the end that number had grown to more than 380 million As the number of Christians continues to grow African pastors are often overwhelmed and in desperate need of guidance Drawing from three decades of pastoral experience in Zambia Conrad Mbewe has written a comprehensive handbook specifically for African pastors and church leaders Structured around twenty commonly asked questions about God's design for the church this helpful resource covers topics ranging from the definition of church and the role of church members to the importance of doctrine Through this book Mbewe aims to equip pastors and leaders with biblical principles that will permeate the landscape of Africa and transform its churches for generations to come Published in partnership with the Gospel Coalition THE POWER OF THE YOKES Carlton Foster, 2024-06-26 THE POWER OF THE YOKES allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are only a shadow of who God says you are The things that yoke you do not define you but build character in you Everything that happens to you as a child affects and carries through 15 Things Seminary Couldn't Teach Me Jeff Robinson Sr., Collin Hansen, 2018-03-15 Some the rest of your adult life lessons can t be learned in a classroom A seminary education is immensely valuable offering theological preparation spiritual formation and wise mentoring But many new pastors are discouraged when the realities of their first call don't line up with what they came to expect from assigned readings and classroom discussions Bridging the gap between seminary training and real life in a local church fifteen veteran pastors and ministry leaders offer advice and encouragement related to a host of real world issues such as leading congregations through seasons of suffering handling conflict accepting a call leaving a church and more Whole-Life Mission for the Whole Church Mark Greene, Ian J. Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually

appropriate and experientially tested offering an excellent resource for educators desiring to transform their institutional cultures curriculums and classrooms into environments that envision empower and liberate the whole church for its role in the mission of God The Plurality Principle Dave Harvey, 2021-02-17 Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership In the New Testament church leadership is built around a team of elders working together each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them However in many churches today the principle of plurality in leadership is often misunderstood mistakenly applied or completely ignored Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation A New Monastic Handbook Ian Mobsby, 2014-07-30 Two leading practitioners of new Download the free study guide monasticism open up the movement's spiritual landscape and its distinctive calling and gifts within today's church Practical experience and story is set alongside reflection and liturgies as a creative resource for all who are already involved in or are exploring intentional living in community From Seed to Fruit (Revised and Enlarged Second Edition) J. Nwankwo, 2014-03 How can you rediscover and become the super you that God created you for and enlarge yourself to live your best life now with all the potentialities inside of you The answer lies in one of my strongest convictions that you can do better than you are doing right now by the special grace of God But this may not happen to you unless you change most of your personal belief systems the way you have been taught to think about success about your own life and about material blessings and prosperity In this easy to understand guide John Nwankwo challenges you to break free from life difficulties and experience immense prosperity and success in most areas that characterize your everyday life meaningful relationships financial prosperity spirituality wealth creation happiness and joy vibrant health in your mind and your body and victory to the things that set limitations on you and defeat your ability to live your best life now Your journey to success and the rediscovery of the better you within you a fulfilling healthier happier lifestyle and a brighter future with unending possibilities and success begin with these ten strategies Automate your mind to work for success You can make your mind work for you God has armed you with immense power I can do better than I m doing right now Enlarge your determination and industriousness Don t settle for defeat Go for victory Dominate your circumstances and environment Be disciplined and consistent Invest in yourself It takes courage to succeed Be stubborn for your own success Investigate success The Second Commandment Joev R. Pevton, 2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity The Everychurch Guide to Growth Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and growing into the future God's Love Compels Us D. A.
