Moon Santa Fe, Taos & Albuquerque Zora O'Neill, 2015-06-02 New Mexico native Zora O'Neill shares her appreciation for the Land of Enchantment in this full color guide from exploring the Acoma

Pueblo a 12th century Native American settlement built upon a 367 foot mesa to hitting the slopes at Taos Ski Valley O'Neill offers a variety of trip strategies accompanied by vibrant photos and helpful maps such as Weekend Getaways American Indian Heritage and Not Just Hot Tamales a guide to sampling the tastiest examples of the region's distinctive cuisine Full of tips on hiking aspen covered mountainsides wandering among crumbling Franciscan churches and checking out the area's thriving art scene Moon Santa Fe Taos Albuquerque gives travelers the tools they need to create a more personal and memorable experience Slow Travel New Mexico Judith Fein, 2024-03-15 Winner of the 2024 New Mexico Arizona Book Award for Travel Slow travel is the secret to opening doors meeting people participating in surprising events experiencing joy and making each trip no matter how short or long deeper richer and an adventure that is uniquely yours Award winning travel journalists and Santa Fe residents Judith Fein and Paul J Ross crisscross New Mexico finding unforgettable adventures readers can personally experience such as painting with an abstract artist on the Navajo Reservation visiting a wolf refuge cruising in a lowrider hiking in a volcano gourmet dining at Zuni Pueblo seeing a ghost tracking the true Billy the Kid and so much more Slow Travel New Mexico is an invitation to show up in a place and let it reveal itself to you on its own terms It's not about going off the beaten path It's about going off the beaten mental path by learning to look see open up and explore differently It's a guide to unforgettable experiences **Chicano Popular Culture, Second Edition** Charles M.

Tatum, 2017-09-05 An updated and expanded edition of Tatum's Chicano Popular Culture 2001 touching upon major developments in popular culture since the book's original publication Provided by publisher *Chicano Folklore* Rafaela Castro, 2001-11-15 Originally published under title Dictionary of Chicano folklore Santa Barbara Calif ABC CLIO c2000

Misplaced Objects Silvia Spitta, 2009-07-01 When things move things change Starting from this deceptively simple premise Silvia Spitta opens a fascinating window onto the profound displacements and transformations that have occurred over the six centuries since material objects and human subjects began circulating between Europe and the Americas This extended reflection on the dynamics of misplacement starts with the European practice of collecting objects from the Americas into Wunderkammern literally cabinets of wonders Stripped of all identifying contexts these exuberant collections including the famous Real Gabinete de Historia Natural de Madrid upset European certainties forcing a reorganization of knowledge that gave rise to scientific inquiry and to the epistemological shift we call modernity In contrast cults such as that of the Virgin of Guadalupe arose out of the reverse migration from Europe to the Americas The ultimate marker of mestizo identity in Mexico the Virgin of Guadalupe is now fast crossing the U S Mexico border and miracles are increasingly being reported Misplaced Objects then concludes with the more intimate and familial collections and recollections of Cuban and Mexican American artists and writers that are contributing to the Latinization of the United States Beautifully illustrated and radically interdisciplinary Misplaced Objects clearly demonstrates that it is not the awed viewer but rather the misplaced object itself that unsettles our certainties allowing new meanings to emerge *Neobaroque in the Americas* Monika

Kaup,2012 In a comparative and interdisciplinary analysis of modern and postmodern literature film art and visual culture Monika Kaup examines the twentieth century s recovery of the baroque within a hemispheric framework embracing North America Latin America and U S Latino a culture As neobaroque comes to the forefront of New World studies attention to transcultural dynamics is overturning the traditional scholarship that confined the baroque to a specific period class and ideology in the seventeenth century Reflecting on the rich nonlinear genealogy of baroque expression Neobaroque in the Americas envisions the baroque as an anti proprietary expression that brings together seemingly disparate writers and artists and contributes to the new studies in global modernity

Land of Disenchantment Michael L. Trujillo,2010-03-16 New Mexico s Espa ola Valley is situated in the northern part of the state between the fabled Sangre de Cristo and Jemez Mountains Many of the Valley s communities have roots in the Spanish and Mexican periods of colonization while the Native American Pueblos of Ohkay Owingeh and Santa Clara are far older The Valley s residents include a large Native American population an

influential Anglo or non Hispanic white minority and a growing Mexican immigrant community In spite of the varied populace native New Mexican Latinos or Nuevomexicanos remain the majority and retain control of area politics In this experimental ethnography Michael Trujillo presents a vision of Española that addresses its denigration by neighbors and some of its residents because it represents the antithesis of the positive narrative of New Mexico Contradicting the popular notion of New Mexico as the Land of Enchantment a fusion of race landscape architecture and food into a romanticized commodity Trujillo probes beneath the surface to reveal the causes of social dysfunction brought about by colonization and the transition from a pastoral to an urban economy

Celebrating Latino Folklore María Herrera-Sobek, 2012-07-16 Latino folklore comprises a kaleidoscope of cultural traditions This compelling three volume work showcases its richness complexity and beauty Latino folklore is a fun and fascinating subject to many Americans regardless of ethnicity Interest in and celebration of Latin traditions such as Día de los Muertos in the United States is becoming more common outside of Latino populations Celebrating Latino Folklore An Encyclopedia of Cultural Traditions provides a broad and comprehensive collection of descriptive information regarding all the genres of Latino folklore in the United States covering the traditions of Americans who trace their ancestry to Mexico Spain or Latin America The encyclopedia surveys all manner of topics and subject matter related to Latino folklore covering the oral traditions and cultural heritage of Latin Americans from riddles and dance to food and clothing It covers the folklore of 21 Latin American countries as these traditions have been transmitted to the United States documenting how cultures interweave to enrich each other and create a unique tapestry within the melting pot of the United States

Cultural Studies Michael Ryan, 2008-05-19 CULTURAL STUDIES This comprehensive anthology brings together classic and contemporary essays in the diverse field of Cultural Studies It is designed for classroom use in a variety of settings and departments from Communications and Film Studies to Literature and Anthropology With an international scope and interdisciplinary approach this book represents the diversity depth and leading scholarship of this complex field This important new anthology Provides an overview of the history of the discipline and argues for better placement of Cultural Studies within the academy Offers a range of important perspectives on key topics including policy gender sexuality ethnicity identity visual culture and diaspora Has an advisory board composed of leading scholars and an internationally renowned general editor Cultural Studies An Anthology is an indispensable scholarly and pedagogical tool which fills a longstanding gap in the literature of the field It will be essential reading for scholars and students in Cultural Studies and the many related disciplines with which it engages

Chicano popular culture Charles M. Tatum, 2001 Over the past several decades Mexican Americans have made an indelible mark on American culture through the music of bands such as Santana and Los Lobos films such as *Zoot Suit* and a wide range of literature such as Sandra Cisneros's *The House on Mango Street* Now Charles Tatum introduces students to these and other forms of artistic expression in the first volume to provide a wide ranging overview of Chicano popular culture Tatum explores the broad and complex arena of popular culture among

Americans of Mexican descent and explains what popular culture can tell them about themselves. Reviewing a range of expressive arts from traditional forms to electronic media, he explains the differences and similarities between Chicano popular culture and that of other ethnic groups or of Anglo society and shows how Chicano arts reflect a people's traditions and heritage. The book's coverage focuses on five areas of popular culture. It explores Mexican American and Chicano music from the sixteenth century to the present day; cinema focusing on Chicano films of the past three decades; newspapers, radio, and television explaining the interrelationship between these media; literature emphasizing fiction, theater, and poetry of the last thirty years; and fiestas, celebrations, and art including mural and graffiti art. Tatum provides a brief overview of Mexican American social history, paying particular attention to changing cultural perspectives over the past 150 years and the evolution of *el movimiento chicano*. He also introduces theories of popular culture and makes them accessible to students, enabling them to better understand the material covered in the text. No other book offers such a wide-ranging introduction to these cultural expressions of Mexican Americans today. *Chicano Popular Culture* invites readers to share the excitement of these vital arts and through them to learn more about the uniqueness of America's fastest growing minority. *Chicano Popular Culture* and *Mexican Americans and Health* are the first volumes in the series *The Mexican American Experience*, a cluster of modular texts designed to provide greater flexibility in undergraduate education. Each book deals with a single topic concerning the Mexican American population. Instructors can create a semester-length course from any combination of volumes or may choose to use one or two volumes to complement other texts.

Lowriders in Chicano Culture Charles M. Tatum, 2011-07-22 This informed and accessible book captures the art, energy, passion, and pageantry of over 60 years of lowrider culture, an absolutely iconic Chicano and American phenomenon. Much like rap music and ethnic foods, Chicano lowrider culture has become sufficiently widespread in recent decades to almost be considered mainstream. However, those outside of lowriding may not realize that this cultural phenomenon is not the result of a recent fad; it originated in the pre-World War II era and has continued to grow and evolve since then. *Lowriders in Chicano Culture: From Low to Slow to Show* allows readers to see how this expressive culture fits within the broader context of Chicano culture and understand how lowriding reflects the social, artistic, and political dimensions of America's fastest growing ethnic group. It includes chapters that explain the culture of pachucas/os and cholas/os, the unique aesthetics of lowrider vehicles, lowrider music, shows, and clubs, the mechanics of building a lowrider vehicle, and lowrider culture in the media, including film, newspapers, and television. The book also traces how lowrider culture has recently expanded beyond the urban streets and into the massive exhibit halls of lowrider shows, exposing lowrider culture to even more enthusiasts.

The New Encyclopedia of Southern Culture Glenn Hinson, William Ferris, Charles Reagan Wilson, 2010-01-01 Southern folklife is the heart of southern culture. Looking at traditional practices still carried on today as well as at aspects of folklife that are dynamic and emergent contributors to this volume of *The New Encyclopedia of Southern Culture* examine a broad range of folk traditions. Moving beyond the traditional

view of folklore that situates it in historical practice and narrowly defined genres entries in this volume demonstrate how folklife remains a vital part of communities self definitions Fifty thematic entries address subjects such as car culture funerals hip hop and powwows In 56 topical entries contributors focus on more specific elements of folklife such as roadside memorials collegiate stepping quinceanera celebrations New Orleans marching bands and hunting dogs Together the entries demonstrate that southern folklife is dynamically alive and everywhere around us giving meaning to the everyday unfolding of community life New Mexico Historical Review Lansing Bartlett Bloom,Paul A. F. Walter,2001
