National Register of Microform Masters ,1983 Shakespeare's Military Language Charles Edelman,2004-01-01

Shakespeare's Military Language A Dictionary is a comprehensive reference guide to Shakespeare's use of military language customs and ideas More than just a book of definitions an A Z of nearly 300 entries provides a comprehensive account of Shakespeare's portrayal of military life tactics and technology and explores how the plays comment upon military incidents and personalities of the Elizabethan era and how warfare was presented on the Elizabethan stage Warfare is everywhere in Shakespeare and the military action in many of Shakespeare's plays and the military imagery in all his plays and poems show that he possessed an extraordinarily detailed knowledge of warfare both ancient and modern Shakespeare's Military Language is an ideal guide to Shakespeare's military references for students of Shakespeare at every level The Dances of Shakespeare Jim Hoskins,2013-10-31 First Published in 2005 Dances of Shakespeare gives a brief introduction to how to perform all of the dance styles featured in Shakespeare's plays Designed for the practicing director actor or choreographer it gives clear instruction on how to perform popular dances of Shakespeare's day including masques brawls canaries corantos galliards jigs La Volta pavans morris dances and roundels Accompanied by clear illustrations these instructions allow even the dance challenged to quickly master enough technique to suit amateur community college or semi professional productions Other useful features include a chronological listing of popular dances similar in spirit to those of Shakespeare's days designed for those staging Shakespeare's work in periods other than as written as well as an appendix list of the plays grouped by what is called for in the text a dance a masque or a specific dance form Dances of Shakespeare is a must have for all student directors and performers interested in staging Shakespeare's works SHAKESPEARE'S HISTORIES Jeanne Arthur,2025-01-21 Shakespeare's Histories is a prose translation of Shakespeare's eleven history plays into Standard English These translations stand on their own so that they may be read quickly and easily eliminating the need to search for the meaning of every second word of Shakespeare's original text As well they are supplemented by explanations of the world in which Shakespeare lived for those who are curious about it Jeanne Arthur's Shake Shakespeare's Hand and make a friend for life translations make Shakespeare's texts accessible to the ordinary person by clearing away four hundred years of changes to the English language to reveal the fresh liveliness of Shakespeare's dialogue She hopes that they will enable the reader or audience member to travel back in time to the history of England that Shakespeare wrote for his own audience and make it live in contemporary Western culture once again for many more people Some lovers of Shakespeare's writing may object to the idea that his work needs to be translated However Jeanne Arthur believes that their love of Shakespeare argues for a translation rather than against one It is over four hundred years since Shakespeare's death Not only has the English language evolved since this time but so has the culture of the world Making a translation of the language enables us to appreciate more accurately the cultural differences and similarities between us and the world he lived in With the right help

our imagination is a wonderful tool that can enable us to move freely into the past across cultures and into the future Drama and other fictional forms exploit this capacity that we have to imagine ourselves anywhere and in any time *Shakespeare's Verbal Art* William Bellamy,2016-01-14 Shakespeare's Verbal Art is a profoundly important study of the newly rediscovered anagrams that lie hidden below the surface of all Shakespearean texts It explains the essential role played by these concealed figures in Classical and Renaissance poetry demonstrating the revelatory function of anagram by reference to the close analysis of a wide range of examples Special attention is given to Shakespeare's use of these sub textual devices to clarify meaning and intention The focus is first on Shakespeare's Sonnets of 1609 and secondly on Hamlet Othello and Twelfth Night all of which are found to be composed around the concealed anagrams that render these works self interpreting A new kind of language use is revealed in terms of which pre Enlightenment text is envisaged as existing in two distinct dimensions the overt and the covert both of which must be read if any particular poem or play is to be fully understood In effect a wholly new set of Shakespearean texts is made available to the reader who will find Shakespeare's Verbal Art an essential guide to the new discoveries The book will also be indispensable in the fields of Classical and Renaissance literature linguistics poetics rhetoric and literary history and in relation to the pre Enlightenment text in general and will interest both the specialist and the general reader *Shakespeare Undone* Vincent Tanner,2021-03-15 Life is full of surprises but most are not on the scale of those experienced by Woodward Shakspear an aspiring playwright who can't seem to get a break That is until he receives a letter that is going to change his life He will be doing a lot of traveling and meeting many people so many people in fact that it makes his head spin This unassuming accountant has no idea what is about to confront him His peaceful life in the United States will be altered as he explores what it is like trying to become accustomed to living in England Living in a different country is nothing compared to what he discovers in a dark dusty attic *Poppy Shakespeare* Clare Allan,2012-03-06 Who is mad Who is sane Who decides Welcome to the Dorothy Fish a hospital in North London N has been a patient for thirteen years Day after day she sits smoking in the common room and swapping medication Like the other patients N's ambition is never to be discharged Then in walks Poppy Shakespeare in a short skirt and snakeskin heels Poppy is certain she isn't mentally ill and desperate to return to her life outside and though baffled N agrees to help her But in a world where everything's upside down are they crazy enough to upset the system *Shakespeare's Trollop* Charlaine Harris,2000-08-14 Welcome back to Shakespeare a charming Arkansas town with endless back roads an eclectic mix of residents and a dollop of noir Featuring cleaning woman karate expert Lily Bard Charlaine Harris's series puts a unique spin on the traditional cozy to create mysteries that work on every level The writing and plotting are first rate and Lily is appealing in her own prickly way Washington Times In this installment Lily discovers lifelong Shakespeare resident Deedra Dean murdered inside a car parked in a woodsy area outside town Determined not to get involved Lily wants to leave the police work to Sheriff Marta Schuster and her team of deputies and concentrate on cleaning high kicks and her boyfriend
