Leeds United Neil Howson,2021 Bleed White Phil Merrick,2010-11-02 Bleed White is the story of Leeds United in the new Millennium At the turn of the century a young vibrant team had ambitions to challenge the domination of Manchester United and Arsenal and by the 1st January 2002 they sat proudly at the top of the Premier League arguably the best league in Europe But disaster was around the corner Mismanagement both on and off the field saw the club fall into serious financial difficulty Managers and players came and went and the club was relegated from the Premier League in May 2004 The downfall continued and they were relegated from the Championship in May 2007 and started in the third tier of British football for the first time in the club s history The club had also been put into administration and to make matters worse they were forced to start the next season with a fifteen point penalty following a dispute with the Inland Revenue which caused them to break Football League rules But the club is on the way back and after three long years in Division One the future is looking much brighter Ken Bates the Chairman has restored financial stability and Simon Grayson an excellent young manager who happens to be a fan and ex Leeds player has given the fans hope at last This story is a fan s view of what happened at Leeds United Football Club during those eventful years The book covers issues both on and off the pitch and has been written from two different perspectives wearing a level headed business hat one minute and a passionate Leeds United baseball cap the next Business objectivity meets football fan emotion and they hate each other Leeds United: A History Dave Tomlinson,2015-08-15 The complete and definitive history of the Whites *As Leeds Go Marching On* Jonny Cooper,2025-08-14 As any Leeds United fan will tell you following the Whites is certainly never boring Almost as famous for their periods of chaos as for their moments of glory over the years supporters have been left exhilarated and exasperated in equal measure whilst remaining one of the most passionate fanbases in the world Now as Leeds celebrate their return to the Premier League renowned Opta statistician and lifelong fan Jonny Cooper digs into the numbers and stats to present an alternative history of the club from the glory of the Revie years right through to lifting the Championship trophy under Daniel Farke via the title win of 92 never ending play off heartbreak a brief visit to League One and of course the Marcelo Bielsa era With a unique blend of stats and analysis quirky insights player records and a view from the terraces this treasure trove of trivia is full of the good the bad and the downright weird from the world of Leeds United A football book unlike any other this is the ultimate celebration of one of England s most historic and unique clubs INCLUDES THE STORY OF THE 2024 25 PROMOTION SEASON Leeds United in the 21st Century Dave Tomlinson,2021-09-15 The story of Leeds United s roller coaster ride through the 21st century from Champions League semi finals to financial mismanagement boardroom wrangles and relegation and hope of their eventual return to the top tier **The Official Leeds United Supporters' Book** Colin Benson,1997 *The Official Leeds United Fans' Guide* Colin Benson,1997 *Never Mind the Peacocks* Anita Clark,2013-11-01 This is the ultimate quiz book on Leeds United Football Club An ideal gift for fans of all ages this is your

100 Years of Leeds United Daniel Chapman, 2019-08-08

UPDATED TO INCLUDE ALL THE ACTION FROM THE CLUB'S TITLE-WINNING CENTENARY YEAR. THE SUNDAY TIMES BESTSELLER. PUBLISHED IN ASSOCIATION WITH LEEDS UNITED.

Every up and down at Leeds United. Essential reading. Phil Hay. The definitive history of Leeds United's first century. 100 Years of Leeds United tells the story of a one-club city and its unique relationship with its football team. Since its foundation in 1919, Leeds United Football Club has seen more ups and downs than most, rising to global fame through an inimitable and uncompromising style in the 70s, clinching the last Division One title prior to the Premier League's inauguration in 1992, before a spectacular fall from grace at the start of the 21st century. United finally restored their top-flight status after a sixteen-year wait with an unstoppable promotion campaign in the club's 100th year; the transformation under manager Marcelo Bielsa fittingly reminiscent of those instigated by Howard Wilkinson and Don Revie decades earlier. In *100 Years of Leeds United*, Chapman delves deep into the archives to discover the lesser-known episodes, providing fresh context to the folkloric tales that have shaped the club we know today, painting the definitive picture of the West Yorkshire giants.

Leeds United David Watkins, 2021-05-27

Leeds United returned to the Premier League in 2020 for the first time in 16 long years, having won promotion from the Championship under Marcelo Bielsa at the second attempt. Sadly and somewhat typical of the luck of a Leeds United fan, our return to the top flight coincided with a world pandemic and that dictated that the season was to be played largely behind closed doors. This is the story of the season, therefore, as witnessed from the sofa through the TV screen and not from the stands as it should have been. Nevertheless, it is still an incredible story, a wonderful mishmash of footballing tales on and off the pitch, with Bielsa's Leeds United surprising most observers by taking
