and against him those who coached him and those who trained him and find out what it was that set Ryan Giggs apart from the rest Fully illustrated throughout we hear from Eric Harrison how Giggs caught the eye of United s scouts as a youngster and the work done that culminated in him becoming the leading light of the famous Class of 92 Senior players from that era such as Bryan Robson and Steve Bruce recall the impact he made when he was promoted to the first team just as the club began its incredible reign of success under Alex Ferguson After picking up the League Cup in 1992 Giggs went on to win a record breaking 13 league titles two Champions League medals and many other honours in a career that would stretch to 963 appearances for United His resilience and longevity amazed all who looked on as he continued to play at the top level past his 40th birthday And when David Moyes left the club he was the natural replacement as interim manager rallying the club to reclaim its roots Now retired as a player Giggs is about to begin a new role as assistant to Louis van Gaal **Giggsy**
