possess and secondly a faculty of scholarly research whereby the results arrived at may be fitly recommended to the minds of the students of religion and history It is the rarest thing on earth to come across the mystic who will submit to such training or check his impressions by the stern discipline of research and though no one would deny that Mrs Kingsford had the ability we look in vain for the results of that accurate research in her works About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Lucifer*, Vol. 16 Annie Besant, 2016-12-10 Excerpt from Lucifer Vol 16 A Theosophical Magazine Designed to Bring to Light the Hidden Things of Darkness March 1895 August 1895 The mystical meaning of the above is now apparent but at that time I took it to mean that my Chinese contributor who showed such intimate acquaintance with my own views and so confirmed my prejudices with regard to Mr Judge and spoke with such certainty though mock modestly deprecating all claims for authority on occult matters had lived for Sixteen years in the West after reaching years of discretion not before reaching them Hints and suggestions about high chelas helping at important crises etc that we were never abandoned and much else completed the legend thus sown in deception and I read a proof of the article to a large assembly of students and so helped on the evolution of the myth by pointing out what I considered to be the impossibility of anyone but some person of wider knowledge than our own being able to write so appositely The news ew forth and acquired strength in its going The way was prepared the good tidings written in letters and the article was eagerly perused when published I wonder what were the feelings of my friend Mr Har grove at that meeting At the end of November I received the Second article and inor run watch tower About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Lucifer** H.
