The Blue-Flamed Angel Tyler James,2025-01-02 St Michael the Archangel is a humble being who was not initially a warrior angel nor was he granted the title of saint or even the general of the celestial armies His beginnings were as a newly created angel placed in the choir of archangels Like us humans he also had doubts about what his full potential could become although he was content as an archangel Eons passed since the creation of time itself and Michael was selected to become a warrior angel in the celestial army commanded by General Azrael at the time He passed a rigorous and incomprehensible set of trials to earn the title of warrior in God s celestial army Shortly after according to celestial time war in heaven broke out led by Lucifer who was formerly known as Samael At a critical moment his general did not have the faith needed to repel the legions trying to invade God s throne and kingdom God bestowed an unfathomable blessing upon Michael who was transformed into the Blue Flamed Angel and promoted to the choir of Seraphim With Michael s new abilities and responsibilities he defeated the dragon and his legions banishing them from the heavens However the battle was just beginning when Man was created posing new curiosities among the celestials and

threats from the demonic enemy legions The Son of God Jesus had now taken over the responsibilities of his Father when the unthinkable happened God s newest creation Man had fallen into sin and thus the heavens were lifted from the earth as punishment This began the divine plan for the salvation of mankind Shortly after Michael and a few of his fellow angels Gabriel and Raphael were granted the authority to interact with mankind directly donning the title of saint After Mary was assumed into heaven she blessed St Michael with the duties and responsibilities that come with sainthood making him the patron of law enforcement and all those who are righteous for the Lord willing to sacrifice themselves for the good of their neighbors The full power of the new general of the celestial armies was cemented and the ultimate battle between good evil and the souls of mankind rages onward to this very day until the end of the earth Jesus, Ever Present and Soon Coming Stephen Slack,2017-01-14 You might find yourself puzzled about the title of this book Jesus Ever Present and Soon Coming You may be asking yourself how can Jesus be present and yet at the same time soon coming This book discusses the purposes God had in mind when He wrapped himself in humanely flesh to become a man then supernaturally allowed himself to be crucified at the hands of the very people he would die to save Then what did He have in mind with His supernatural resurrection and why on earth would He want to come again In what manner is His coming again significant and what this all means for us today In all that our Lord Jesus has done He did out of His absolute without end of Love personified for all of us humans Come and read about this great love that He has for us **A Primer** James McClain,2023-09-25 Want to know more about Satan Here you will find Why did God create Satan and the angels the creation of Satan and the angels Satan s fall Satan s limited powers Satan s influence and Satan s future *The Armor of God* David Skeba,2011-07-28 There is a mighty spiritual war raging all around us You have sensed it felt it and hoped it wasnt quite so real It s all happening right here right now in YOUR life David Skeba reveals why your life is the way it is and how you can change it for the better We are born into a world where we find ourselves caught in the midst of Satan s war against God s kingdom The battle is for our very souls and for the glory of God We have become the targets We are the prize Open your eyes and discover an invisible world you never knew existed What you don t know can hurt you Learn how to fight enemies you cannot see so you can victoriously finish your journey on earth and then live with God forever Evangelical Magazine and Gospel Advocate ,1896 Alpha And Omega Isaac Jalal,2022-02-22 The book Alpha and Omega covers pre existent names of the Messiah prophecies and predictions about the coming of the Messiah foretold in the Old Testament This book guides readers through some of the usual arguments about the existence of God and the self existence of Christ before His incarnation as Jesus Following the very first verse in the Bible Genesis 1 1 provides the roadmap for the rest of Jesus s biblical story as represented in the New Testament from His birth through His crucifixion resurrection and second coming This study restates the subjects and events based exclusively on biblical accounts and known historical facts in exceptional detail Jesus Always ExistedThe Old Testament prophets recognized Jesus as God Almighty or Jehovah God the First and the Last Exod 6 3 Isa 44 6 48 12 In the

Missing Sonia Falaschi-Ray,2013-06-01 A husband and wife arrive tired and hungry at an inn on their way home to Nazareth They search in vain for their son whom they assumed to have been travelling with the group Twelve he may be nearly a man but not yet and the city of Jerusalem is no place for a youth wandering about on his own His name is Yeshua and he is eventually found engaged in debate with rabbis in the temple His knowledge of scripture is formidable and some find his questioning precocious and interesting However the young Rabbi Caiaphas finds the boy's views outrageous Eventually reunited with his parents Yeshua leaves Jerusalem to travel home But he will return for he is the lynchpin in the greatest spiritual revolution the world has ever known

Missing Three Days in Jerusalem is a refreshing and accessible account of the life of Jesus Christ from his disappearance in Jerusalem as a boy to his earliest ministries foreshadowing his future teachings We meet him 21 years later at the moment of his arrest leading to his crucifixion death and on the third day his resurrection His companions reminisce about his miracles Then he appears He tells them he has been freeing souls from hell and commissions them to spread his truth His followers have life changing experiences as they engage in the slow but certain spreading of the Way of Christianity throughout the world This is not just a story about divinity it is about ordinary people finding themselves in extraordinary circumstances The world of occupied Judea in the early years of the first century is brought dazzlingly alive and the message is clear the Way is open to everyone no matter their background or creed no matter their doubts and uncertainties

Missing is a work of historical fiction that will appeal primarily to Christians but also to spiritual seekers who will find it a fresh approach to the Gospel story Sonia Falaschi-Ray has taken inspiration from Susan Howatch especially her Starbridge novels
