Luck Is Where You Find It:

Who Says You Can't? You Do Daniel Chidiac, 2013-03-26 A word of mouth phenomenon that's changing lives around the world a journey into your true self and amazing potential Do you want to change your life Well who says you can't A moment came in Daniel Chidiac's life when he realized he wasn't living his truth His work didn't fulfill him his relationships hurt him and he was making choices that didn't align with his true values But he did have the ability to know his own purpose a gift we all have and thus his journey began Daniel studied the lives of great achievers sought guidance from spiritual leaders and discovered the secrets for shaping one's own destiny He used his personal experience of changing his life to create this powerful seven step guide to discovering your true self committing to your own life and pushing beyond your known limits Standing out for his incisive wisdom and complete lack of gimmicks Daniel Chidiac is an inspiring insightful and honest guide His empowering system has spread organically and it has already changed the lives of legions of readers With practical exercises and interactive tools this book challenges you to ask hard questions and make life changing decisions and ultimately guides you to the fulfillment you have been seeking Get ready to be intrigued fascinated and amazed Not by this book but by your own power

The Mental Game of Trading Jared Tendler, 2021-04-09 A step by step system for mastering trading psychology Think about your most costly and recurring trading mistakes Chances are that they're related to common errors such as chasing price cutting winners short forcing mediocre trades and overtrading You've likely tried to fix these errors by improving your technical skills and yet they persist That's because the real source of these mistakes is not technical they actually stem from greed fear anger or problems with confidence and discipline If you are like most traders you probably overlook or misunderstand mental and emotional obstacles Or worse you might think you know how to manage them but you don't and end up losing control at the worst possible time You're leaving too much money on the table which will either prevent you from being profitable or realizing your potential While many trading psychology books offer sound advice they don't show you how to do the necessary work That's why you haven't solved the problems hurting your performance With straight talk and practical solutions Jared Tendler brings a new voice to trading psychology In *The Mental Game of Trading* he busts myths about emotions greed and discipline and shows you how to look past the obvious to identify the real reasons you're struggling This book is different from anything else on the market You'll get a step by step system for discovering the cause of your problems and eliminating them once and for all And through real stories of traders from around the world who have successfully used Tendler's system you'll learn how to tackle your problems improve your day to day performance and increase your profits Whether you're an independent or institutional trader and regardless of whether you trade equities forex or cryptocurrencies you can use this system to improve your decision making and execution Finally you have a way to reach your potential as a trader Now's the time to make it happen
