Breaking Babe Ruth Edmund F. Wehrle,2018-05-31 Rather than as a Falstaffian figure of limited intellect Edmund Wehrle reveals Babe Ruth as an ambitious independent operator one not afraid to challenge baseball s draconian labor system To the baseball establishment Ruth s immense popularity represented opportunity but his rebelliousness and potential to overturn the status quo presented a threat After a decades long campaign waged by baseball to contain and discredit him the Babe frustrated and struggling with injuries and illness grew more acquiescent but the image of Ruth that baseball perpetuated still informs how many people remember Babe Ruth to this day This new perspective approaching Ruth more seriously and placing his life in fuller context is long overdue
