Diem, This bundle contains books 4-6 of the Shifter Squad Next Gen series Alpha Rivalry Alex and the rest of the squad are stuck with the unwanted alpha on their team despite the trouble he keeps causing When they team up with another alpha werewolf and his pack during a mission tensions rise and tempers flare With luck Franko will soon show his true colors and they'll finally be able to get rid of him While the spells restrict Alex from reaching her full potential she can at least use her necromancy She'll have the opportunity to practice her skills and maybe even expand on them The more power she gains with her death magic the less vulnerable she'll be or so they all hope The witch is still lurking around trying to lure the team into a trap They'll have to remain vigilant as she creates new dangers for them to avoid In the meantime Yasmine has a particular skillset the squad has been looking forward to learning The vampire will become their teacher as she trains them in the delicate art of thievery Rex's Thrall During a night out on the prowl Sydney Walker Levine meets a sexy enigmatic weretiger The pair hit it off instantly and their chemistry is undeniable Everyone in the shifter nightclub can sense their desire for each other The werecougar suspects she's in for a night she'll never forget Her plans to get Harlan Rafferty naked are interrupted when she runs into someone she'd hoped she'd never see again Colton the arrogant Rex of a werelion pride tried to claim her once before Syd had been spared from becoming his captive a few months ago but her team isn't there to save her this time Sydney is lulled into thinking she's

managed to dodge the bullet again but she didn't count on the werelions tracking her. Once she leaves the safety of the tiger's bed, she becomes fair game. Colton is lying in wait ready to turn her into his thrall. The werecougar only has one ally to watch her back: a zombie mouse called Beta Spectral Justice. While testing her skills as a pickpocket, Alex learns she has talents no one could have anticipated. The spells that prevent her from reaching her full potential have an unexpected side effect. While the enchantments are a curse, they're also proving to be surprisingly useful. The fae emissary they've been waiting for finally arrives to whisk Alex and Crowmon to the faery realm. They need to find out all they can about the old gods that they suspect are stirring. Their main goal is to find out where they're being imprisoned so they can make sure it's still secure. If the ancient deities escape, all realms will be in peril. Agent Steel sends two of his colleagues to assess Alex's new abilities. They will aid the team to solve a mission involving several lone female werewolves who have gone missing. The squad will need to be on full alert with so many enemies lurking around waiting for the opportunity to strike.

Out of Focus A.L. Lester, 2022-03-26 Alex has never quite believed he's good enough. Not as a person and not as a lighting technician. He hates that however hard he tries, he can't get his boss Luke to like him. In the two years he's been in the job, it's become a thing with him, and he's got a huge crush on the man. He needs to move on for his own sanity and his career, and he's just about to accept a job at a bigger theatre when one of the volunteers he's bedded and dumped pushes him off a ladder. Luke likes Alex a lot and has done since the day he walked through the door of Theatre Fawr two years ago. He doesn't date his staff though, or do casual, and Alex is the epitome of casual. So Luke keeps his distance despite Alex's constant flirting. Will Alex's injury give Alex and Luke the push they need to open up to each other? Or will Luke's inadvertent discovery that Alex has a secret job offer push them further apart?

A Multi-Perspective Approach to Narratives in Health Communication Julie E. Volkman, 2025-07-10 This edited volume offers an accessible avenue for improving health and well-being by demonstrating the power of narrative in advocating for yourself, your family, and your community. Leading scholars of health communication draw on a variety of perspectives, theories, and methodologies and incorporate their own personal experiences of narratives to demonstrate the compelling reasons why narratives should be studied and applied in a wide range of health contexts. Each chapter contains future directions for advancing research and applying narratives to encourage readers to explore what narratives for health mean for themselves and others.

Just a Glance Seamus Omeara, 2015-07-30 My name is Robin, an Essex boy at heart, and as things go, I live a good life now on and off in the west of Ireland in a beautiful picturesque place called the Galway Bay. There are some people who would have called me and my mates gangsters. Sure, we got up to mischief, but it just seemed the right thing to do at the time. We didn't like doing what we did, and wanted to get out as soon as we had made enough money. We got into this game by accident in some ways, but then we stayed that far under the radar, we went deeper than a nuclear submarine. Definitely not our interpretation of gangsters. We didn't go around carrying guns, threatening or beating up people, just normal run-of-the-mill guys just trying to earn a few bob and lived by the motto: Don't

pull dont push and be lucky But now having given up all my wild ways if you would like to call it that sold some of my share in the business I have and earned enough money just to spend my time doing the things I love in life a bit of painting fishing part time teaching and having the odd pint of Guinness or as they call it here porter For the past twenty odd years life just cant get better So with this in mind it gives me time to reflect on one particular day twenty odd years ago in a bookies in Romford Essex

Popular Politics and Resistance Movements in South Africa William Beinart, Marcelle C. Dawson, 2010-12-01 An examination of post apartheid politics This volume explores some of the key features of popular politics and resistance before and after 1994 It looks at continuities and changes in the forms of struggle and ideologies involved as well as the significance of post apartheid grassroots politics Is this a new form of politics or does it stand as a direct descendent of the insurrectionary impulses of the late apartheid era Posing questions about continuity and change before and after 1994 raises key issues concerning the nature of power and poverty in the country Contributors suggest that expressions of popular politics are deeply set within South African political culture and still have the capacity to influence political outcomes The introduction by William Beinart links the papers together places them in context of recent literature on popular politics and history from below and summarises their main findings supporting the argument that popular politics outside of the party system remain significant in South Africa and help influence national politics The roots of this collection lie in post graduate student research conducted at the University of Oxford in the early twenty first century

Collars & Cuffs Vol. 1 K.C. Wells, Parker Williams, 2016-07-22 When Leo Hart and Thomas Williams opened a BDSM club in Manchester back in 2002 they had no idea what they were creating Because Collars Cuffs has grown into more than a club it s become a family Most men who join do so hoping to find a connection though even those who aren t looking are surprised when the connection finds them Collars Cuffs men come from all walks of life from a Dom who thought he would never find love again to men

whose past hurts still linger to a young man who desperately needs someone to understand him But there is one thing that will always be true together they are stronger and some bonds cannot be broken **Second Glance** Jodi Picoult,2003-04-08

This breathtaking novel from 1 New York Times bestselling author Jodi Picoult asks Do we love across time or in spite of it Sometimes I wonder Can a ghost find you if she wants to An intricate tale of love haunting memories and renewal **Second Glance** begins in current day Vermont where an old man puts a piece of land up for sale and unintentionally raises protest from the local Abenaki Indian tribe who insist it s a burial ground When odd supernatural events plague the town of Comtosook a ghost hunter is hired by the developer to help convince the residents that there s nothing spiritual about the property Enter Ross Wakeman a suicidal drifter who has put himself in mortal danger time and again He s driven his car off a bridge into a lake He s been mugged in New York City and struck by lightning in a calm country field Yet despite his best efforts life clings to him and pulls him ever deeper into the empty existence he cannot bear since his fianc e s death in a car crash eight years ago Ross now lives only for the moment he might once again encounter the woman he loves But in Comtosook the only discovery Ross can lay claim to is that of Lia Beaumont a skittish mysterious woman who like Ross is on a search for something beyond the boundary separating life and death Thus begins Jodi Picoult s enthralling and ultimately astonishing story of love fate and a crime of passion Hailed by critics as a master storyteller The Washington Post Picoult once again pushes herself and consequently the reader to think about the unthinkable Denver Post **Second Glance** her eeriest and most engrossing work yet delves into a virtually unknown chapter of American history Vermont s eugenics project of the 1920s and 30s to provide a compelling study of the things that come back to haunt us literally and figuratively Do we love across time or in spite of it **Alpha's Badass Mate** Neenia,2025-06-11 Your scent drives me crazy I can t focus when you re near me He is my pup No he is not you are nothing but a stranger to him So get out and never come back here Ashly Madden doesn t need an Alpha If I were in a bad mood I d beat your face until it matched your shoes Ashly is not some cute little Omega who wants to please Alphas she can kick any Alpha or Beta who tries to mess with her Even the Alpha is her own mate Alex knows Ashly is his Omega but he is scared that Omega rejects him she already kicked his pack ass But when the truth unfolded about the Omega identity he was shocked and somehow happy Alex had finally decided to confess his burning love to his mate They both gave in to their overflowing feelings but Ashly couldn t help her growing fears to slowly consume her After their graduation things become hard for Ashly Alex leaves to see his family and he never comes back Ashly waits for him in front of his door with a baby inside her but the Alpha never comes back After a year they meet again What will be the outcome Will Ashly still love her Alpha no matter what happens and will Alex finally tell the truth to Ahley What happens when Alex sees a child who exactly looks like him *Around Which All Things Bend* Nancy Perpal,2022-08-22 When he is born the heir to a sprawling Montana ranch Alex Whitgate s life is already mapped out what he will be when he grows up where he will attend college and what branch of the military he will enlist in while serving his country When Alex returns

from Afghanistan his widowed mother suggests it's time for him to marry and provide heirs to the family fortune. Dutifully Alex becomes engaged to a woman who equally shares his passion in the bedroom. But when she makes an outrageous demand days before their wedding, Alex breaks the engagement and travels to Charleston, a city steeped in Civil War history and ghosts unwilling to leave. As a new chapter allows him to shed his legacy, Alex falls in love with Brooke Bryant, a PhD psychology student whose roots are as deeply embedded in southern soil as Alex's are in Montana. Can their relationship survive the distance and an ex-fiancé whose sights are set on a romantic reunion, or are there certain love stories that are not meant to be? In this tale of passion, hope, and consequences, a wealthy Montana cowboy searching for love and purpose sets down a new path where he meets a beautiful graduate student who lassoes his heart and changes everything. *Beneath the Palisade* Joel Skelton, 2016-09-16

This warm, quirky character-filled series begins with a life-changing event that triggers Harper and Ian, the anchors of all three stories, to search for an adventure that takes them out of the city and out of their comfort zones. Pooling their collective talents, they risk everything when they set their sights on a dilapidated resort located on the North Shore of Lake Superior called Beneath the Palisade. Beneath the Palisade Reliance. When attorney Harper Callahan hires Ian Burke to landscape his yard, they're soon on the fast track to romance, and life changes neither of them anticipated. Beneath the Palisade Courage. Theo Engdahl is struggling with his sexuality, but he finds support in out and proud Alex at the Men's Center. Beneath the Palisade Justice. Wrongly accused Owen Grady is seeking legal help. When young lawyer Brent Burns takes on the case, obstacles seem determined to prevent the acquittal, not least being their hearts. The Reason William Sirls, 2012

The Reason is a milestone debut novel opening with a thunderbolt and never letting up as it introduces us to everyday characters who are wrestling with the questions: Where is God when bad things happen? And does God ignore the prayers of the faithful? The answer each character receives will astound readers while offering an unforgettable call to hope, to change, to only believe. When facing the impossible, will you believe? Storm clouds gather over a small Michigan town. As thunder shakes the sky, the lights inside St. Thomas Church flicker and then go out. All is black until a thick bolt of lightning slices the sky, striking the church's large wooden cross, leaving it ablaze and splintered in two. When the storm ends, the search for answers begins. James Lindy, the church's blind minister, wonders how his small congregation can repair the cross and keep their faith in the midst of adversity. And he hears the words: only believe. Macey Lewis, the town's brilliant young oncologist, is drawn to Alex, a young boy who's recently been diagnosed with an aggressive leukemia. She puts her hope in modern medicine, yet is challenged to only believe. And Alex's single mom, who has given everything she can to her boy, is pleading with God to know the reason this is happening to save her son. But she only hears silence and wonders how she can possibly only believe. *The Reason* is a milestone debut novel opening with a thunderbolt and never letting up as it introduces us to everyday characters who are wrestling with the questions: Where is God when bad things happen? And does God ignore the prayers of the faithful? The answer each character receives will astound readers while offering an

unforgettable call to hope to change to only believe This is a skillfully written first novel with the narrative voice knack for dialogue and plot movement of a veteran author Publishers Weekly
