Selected Letters of Lucretia Coffin Mott Lucretia Mott, 2002 This landmark volume makes widely available for the first time the correspondence of the Quaker activist Lucretia Coffin Mott. Scrupulously reproduced and annotated these letters illustrate the length and breadth of her public life as a leading reformer while providing an intimate glimpse of her family life. Dedicated to reform of almost every kind temperance peace equal rights woman suffrage nonresistance and the abolition of slavery Mott viewed woman's rights as only one element of a broad based reform agenda for American society. A founder and leader of many antislavery organizations including the racially integrated American Antislavery Society and the Philadelphia Female Anti slavery Society she housed fugitive slaves maintained lifelong friendships with such African American colleagues as Harriet Tubman and Sojourner Truth and agitated to bring her fellow Quakers into consensus on taking a stand against slavery. Mott was a seasoned activist by 1848 when she helped to organize the Seneca Falls Woman's Rights Convention whose resolutions called for equal treatment of women in all arenas. Mott tried to pursue a neutral course when her friends Elizabeth Cady Stanton and Susan B Anthony disagreed with other woman's rights leaders over the Fifteenth Amendment which guaranteed equal rights for freedmen but not for any women. Her private views on this breach within the woman's movement emerge for the first time in these letters. An active public life however is only half the story of this dedicated and energetic woman. Mott and her husband of fifty six years James raised five children to adulthood and her letters to other reformers and fellow Quakers are interspersed with the informal hurried scraps she wrote to and about her cherished family. An invaluable resource on an extraordinary woman these selected letters reveal the incisive mind clear sense of mission and level headed personality that made Lucretia Coffin Mott a natural leader and a major force in nineteenth century American life **Lucretia Mott** Lucile Davis, 1998 A biography of Lucretia Mott the nineteenth century Quaker minister who was an important participant in the causes of abolition and women's rights *Lucretia Mott. 1793-1880...*, 1880 *Lucretia Mott Speaks* Lucretia Coffin Mott, 2017-03-30 Committed abolitionist controversial Quaker minister tireless pacifist fiery crusader for women's rights Lucretia Mott was one of the great reformers in America history. Her sixty years of sermons and speeches reached untold thousands of people. Yet Mott eschewed prepared lectures in favor of

an extemporaneous speaking style inspired by the inner light at the core of her Quaker faith It was left to stenographers journalists Friends and colleagues to record her words for posterity Drawing on widely scattered archives newspaper accounts and other sources *Lucretia Mott Speaks* unearths the essential speeches and remarks from Mott s remarkable career The editors have chosen selections representing important themes and events in her public life Extensive annotations provide vibrant context and show Mott s engagement with allies and opponents The speeches illuminate her passionate belief that her many causes were all intertwined The result is an authoritative resource one that enriches our understanding of Mott s views rhetorical strategies and still powerful influence on American society *Lucretia Mott* Jennifer Bryant,1996

help found the American Anti Slavery Society and organize the first Women s Right s Convention **Seneca Falls and the Origins of the Women's Rights Movement** Sally McMillen,2009-09-08 In a quiet town of Seneca Falls New York over the course of two days in July 1848 a small group of women and men led by Elizabeth Cady Stanton and Lucretia Mott held a convention that would launch the woman s rights movement and change the course of history The implications of that remarkable convention would be felt around the world and indeed are still being felt today In *Seneca Falls and the Origins of the Woman s Rights Movement* the latest contribution to Oxford s acclaimed Pivotal Moments in American History series Sally McMillen unpacks for the first time the full significance of that revolutionary convention and the enormous changes it produced The book covers 50 years of women s activism from 1840 1890 focusing on four extraordinary figures Lucretia Mott Elizabeth Cady Stanton Lucy Stone and Susan B Anthony McMillen tells the stories of their lives how they came to take up the cause of women s rights the astonishing advances they made during their lifetimes and the lasting and transformative effects of the work they did At the convention they asserted full equality with men argued for greater legal rights greater
