Matinee Idol Ron Base, 1987-03 Trapped! Mary Small, 1997 A student draws a blank in composition class Supa Dooper Chapter Book **Words on Cassette, 2002** R R Bowker Publishing, 2002 **Robert Ludlum's (TM) The Bourne Sanction** Eric Van Lustbader, 2008-07-29 In Europe Bourne's investigation into the Black Legion turns into one of the deadliest and most tangled operations of his double life the pursuit of the leader of a terrorist group with roots in the darkest days of World War II all while an assassin as brilliant and damaged as himself is getting closer by the minute Jason Bourne returns to Georgetown University and the mild world of his alter ego David Webb hoping for normalcy But after so many adrenaline soaked years of risking his life Bourne finds himself chafing under the quiet life of a linguistics professor Aware of his frustrations his academic mentor Professor Specter asks for help investigating the murder of a former student by a previously unknown Muslim extremist sect The young man died carrying information about the group's terrorist activities including an immediate plan to attack the United States The organization the Black Legion and its lethal plot have also popped up on the radar of Central Intelligence where new director Veronica Hart is struggling to assert her authority Sensing an opportunity to take control of CI by showing Hart's incompetence National Security Agency operatives plan to accomplish what CI never could hunt down and kill Bourne Robert Ludlum's (TM) The Janson Command Paul Garrison, 2012-02-14 Paul Janson a character first featured in Robert Ludlum's bestselling novel The Janson Directive has a new goal save the world one operative one mission one redemption at a time Reformed from his days of covert operations Paul Janson has set a new mission for himself Working in partnership with champion sharpshooter Jessica Kincaid he rehabilitates disenchanted agents and helps them create new lives outside of the violent intelligence sector These former operatives then form a network of support for Janson when it comes to his other job Janson also takes on independent assignments For a fee he'll use his skills to resolve international crises But only those actions that he believes contribute to the greater good of all Whether he's rescuing an American doctor from Somali pirates attacking militant thugs intent on murdering a West African public servant agitating for human rights or hunting the money lenders who capitalize on barbaric civil war Janson stays honest with three simple rules 1 No torture 2 No civilian casualties 3 No killing anyone who doesn't try to kill them Yet with his commitment to doing what is right while facing canny intelligence operatives ruthless warlords deep sea marauders or brutal dictators Janson finds that his most difficult task is figuring out if he's fighting for the good side

Robert Ludlum's (TM) The Janson Option Paul Garrison, 2014-03-18 To atone for the sins he committed serving his country ex covert government agent Paul Janson is determined to save the world one person one mission one redemption at a time The Janson Option Paul Janson a former Consular Ops legend known as The Machine for his deadly speed and accuracy has a new mission Sickened by the sanctioned serial killings ordered by the state department Janson has left covert operations and is now a private security consultant In partnership with deadly sharpshooter Jessica Kincaid he only takes

assignments that he believes will lead to the greater good When American Synergy Corporation oil executive Kingsman Helms begs Janson to rescue his wife Allegra from Somali pirates Janson and Kincaid view it as the perfect opportunity to infiltrate ASC and disrupt the company's scheme to subvert independent oil rich African countries into wholly owned ASC subsidiaries Once on the ground Janson and Kincaid discover that the pirates may be the least lethal threat in the violent chaos of anarchic Somalia Is Allegra's kidnapping for real or is she merely a pawn in her husband's machinations for control of the country Janson and Kincaid quickly find themselves embroiled in a bewildering storm of plots and counterplots and their fight to survive threatens to disrupt the entire region and beyond

Robert Ludlum's The Bourne Evolution Brian Freeman, 2021-05-25 America's most enduring hero Jason Bourne returns in a propulsive fresh story for the Bourne canon that tests old skills and uncovers new ones After the death of his lover in a mass shooting secret agent Jason Bourne is convinced that there is more to her murder than it seems Worse he believes that Treadstone the agency that made him who he is that trained him is behind the killing Bourne goes rogue leaving Treadstone behind and taking on a new mission to infiltrate and expose an anarchist group Medusa But when a congresswoman is assassinated in New York Bourne is framed for the crime and he finds himself alone and on the run hunted by both Treadstone and the tech cabal that had hired him In his quest to stay one step ahead of his enemies Bourne teams up with a journalist Abbey Laurent to figure out who was behind the frame up and to learn as much as he can about the ever growing threat of the mysterious Medusa group As more and more enemies begin to hunt Bourne it's a race against the clock to discover who led him into a trap and what their next move may be

Robert Ludlum's (TM) The Bourne Objective Eric Van Lustbader, 2010-06-01 New York Times bestselling author Eric Van Lustbader returns with another Jason Bourne thriller as he spars off against another deadly agent and he might be the perfect match for Bourne Facing down mercenaries in Africa Jason Bourne witnesses the death of an art dealer named Tracy Atherton Her killing dredges up snippets of Bourne's impaired memory in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring an artifact of such powerful significance that people have killed to obtain it Now he's determined to find the ring's owner and purpose But Bourne never knows what terrible acts he'll discover he committed when he digs into the past The trail will lead him through layers of conspiracy to a vicious Russian mercenary Leonid Arkadin who was also a graduate of the Central Intelligence training program Treadstone A covert course designed to create ruthless assassins for C I it was shuttered by Congress for corruption Yet before it was dismantled it produced Bourne and Arkadin giving them equal skills equal force and equal cunning As Bourne's destiny circles closer to Arkadin's it becomes clear that the eventual collision of these men is not of their own making Someone else has been watching and manipulating them Someone who wants to know Who is the more deadly agent
