Gathered from scrapbooks diaries book margins and disk drives this collection charts the author s life from boy to man from travels to Africa from young family to middle age The predominant themes of spiritual path and scientific rationale are set in emphatic rhythms and rhymes The tone is sometimes sombre prophecy does tend to be gloomy but patches of bright sun shine in the poems Sparrows Chirping and From the Farm which delight in the appreciation of Nature Many of the poems employ dream images and words In the humorous On Our Way to Mali and in the challenging Quantitative Analysis the colour light situation and sound of the dream world creates the poem Poems Equations and Prophecies has only a few poems with equations embedded in the verses These should not distract the student of literature any more than the student of mathematics should be distracted by religious symbols They stimulate the other senses as much as imagery and alliteration but may require some background reading to fully appreciate Poems Equations and Prophecies describes visions interpreted using contemporary ideas and techniques The poem I saw you twice relies on the teachings of Carlos Castaneda to lend meaning to bizarre real life events One Foundation Trilogy questions the value of prophecy in modern society More rational means are available to help humanity choose its way through crisis as in Isaac Asimov s classic novels The Besht comes to help uses the analytical method of Carl Jung to interpret a kabbalistic vision of the Heavenly Chariot Seeds of this discovery are apparent throughout the earlier poems particularly in RESUME Lastly what collection would be complete without an enduring love song Two Worlds is at heart a love poem written to the author s wife With inconsistent equations inspired by G del s Theorem and a prophetic connection with September 11th this poem will intrigue the poet reader and test the mathematician for time to come

Poetry and Prophecy Reuven Shoham, 2021-10-11 The book discusses the image of the prophet and the role of prophecy in Modern Hebrew Poetry The first part of the book presents the prophetic archetypal biographies of prophets heroes and artists in Hebrew and European mythologies It also examines the historical facts which lead to the departure of the prophet from Hebrew literature following the destruction of the second temple Finally it addresses the necessity of reappearance of the prophet in the 18th and 19th centuries in Hebrew thought and literature and provides a short history of that reappearance in Haskala literature The second part focuses upon three major prophets poets Haim N Bialik Avraham Shlonski and Uri Z Greenberg The book may be of interest to scholars of Literature Judaism Philosophy Science of Religion Anthropology Folklore and Rhetoric *Live of the Irish Saints, with Special Festivals, and the Commemorations of Holy Persons* O'Hanlon John Canon (Irish Catholic priest), 1873 **The Continental Prophecies** William Blake, 1998 The last volumes in the series of William Blake's Illuminated Books reveal the writer and artist as a prophet driven by a sense of apocalyptic urgency Blake conceived and executed *The Continental Prophecies* and *The Urizen Books* in the early 1790s capturing the intellectual and spiritual turmoil of the American and French revolutions Here for the first time the general reader will encounter Blake's most intense vision in reproductions that do justice to the originals accompanied by texts comprehensive notes and commentaries and detailed interpretations of the designs *The Continental Prophecies* which comprises America Europe and *The Song of Los* presents Blake's critical reckoning with the history of his own times Marked by a particularly close integration of word and image the books form a mythical plot from historical events and criticize the intricate structure of social oppression that the author attributes to organized state religion Each of the three books attempts to point a way toward the process of millennial liberation These volumes complete the six part series of William Blake's Illuminated Books including *Jerusalem Songs of Innocence and of Experience* now available in paperback *The Early Illuminated Books* and *Milton A Poem* all published by Princeton University Press **The State Doctors, Or A Tale of the Times. A Poem, in Four Cantos** William Henry Ireland, 1812 **Catalogue of Additions to the Manuscripts in the British Museum in the Years MDCCCXLI-MDCCCXLV.** British Museum.
