all One Taste of Scandal is a delicious multi layered Victorian treat Gina Robinson author of The Last Honest Seamstress and the Agent Ex series 89 400 Words **The Last Man Takes LSD** Daniel Zamora,Mitchell Dean,2021-05-25 How Michel Foucault drugs California and the rise of neoliberal politics in 1970s France are all connected In May 1975 Michel Foucault took LSD in the desert in southern California He described it as the most important event of his life one which would lead him to completely rework his History of Sexuality His focus now would not be on power relations but on the experiments of subjectivity and the care of the self Through this lens he would reinterpret the social movements of May 68 and position himself politically in France in relation to the emergent anti totalitarian and anti welfare state currents He would also come to appreciate the possibilities of autonomy offered by a new force on the French political scene that was neither of the Left nor the Right neoliberalism For this paperback edition the authors have written an afterword responding to the debate occasioned by the book s first publication To Sin with Scandal Tamara Gill,2013 One night of passion with the notorious rake Lord Scandal Every need satisfied nothing expected in return All Lady Miranda Fitsimmon has to do is keep her rendezvous with the man secret from the ton and her heart inured to the memory of their past Lord Scandal otherwise known as Lord Sedley no longer desires such meaningless liaisons in the ton His taste for bed sport has changed He only desires one woman to warm his sheets And when the woman he thought never to see grace his home walks into his library and expects all her desires to be sated his resolve to redeem himself is tested Can one night of sin give them both what they crave the most Or will past wounds be too deep to forgive and forget **The Last Man Takes LSD** Mitchell Dean,Daniel Zamora,2023-11-14 Foucault s personal and political experimentation its ambiguous legacy and the rise of neoliberal politics Part intellectual history part critical theory The Last Man Takes LSD challenges the way we think about both Michel Foucault and modern progressive politics One fateful day in May 1975 Foucault dropped acid in the southern California desert In letters reproduced here he described it as among the most important events of his life one which would lead him to completely rework his History of Sexuality That trip helped redirect Foucault s thought and contributed to a tectonic shift in the intellectual life of the era He came to reinterpret the social movements of May 68 and reposition himself politically in France embracing anti totalitarian currents and becoming a critic of the welfare state Mitchell Dean and Daniel Zamora examine the full historical context of the turn in Foucault s thought which included studies of the Iranian revolution and French socialist politics through which he would come to appreciate the possibilities of autonomy offered by a new force on the French political scene that was neither of the left nor the right neoliberalism *The Art of Scandal* Sean Latham,2012-09-13 Latham proposes that writers and readers throughout the early 20th century revived the codes and habits of the roman clef as part of a larger assault on Victorian realism modernism He elaborates a concept of modernism that weaves coterie culture with the mass media psychology with celebrity and literature with the law *Scandal Work* Margot Gayle Backus,2013-10-21 In Scandal Work James Joyce the New Journalism and the Home Rule Newspaper Wars

Margot Gayle Backus charts the rise of the newspaper sex scandal across the fin de siècle British archipelago and explores its impact on the work of James Joyce a towering figure of literary modernism Based largely on archival research the first three chapters trace the legal social and economic forces that fueled an upsurge in sex scandal over the course of the Irish Home Rule debates during James Joyce s childhood The remaining chapters examine Joyce s use of scandal in his work throughout his career beginning with his earliest known poem Et Tu Healy written when he was nine years old to express outrage over the politically disastrous Parnell scandal Backus s readings of Joyce s essays in a Trieste newspaper the Dubliners short stories Portrait of the Artist and Ulysses show Joyce s increasingly intricate employment of scandal conventions ingeniously twisted so as to disable scandal s reifying effects Scandal Work pursues a sequence of politically motivated sex scandals which it derives from Joyce s work It situates Joyce within an alternative history of the New Journalism s emergence in response to the Irish Land Wars and the Home Rule debates from the Phoenix Park murders and the first Dublin Castle scandal to The Maiden Tribute of Modern Babylon and the Oscar Wilde scandal Her voluminous scholarship encompasses historical materials on Victorian and early twentieth century sex scandals Irish politics and newspaper evolution as well as providing significant new readings of Joyce s texts

Joshua St. Pierre,2025-10-01 In Cheap Talk Disability and the Politics of Communication Joshua St Pierre flips the script on communication disability positioning the unruly disabled speaker at the center of analysis to challenge the belief that more communication is unquestionably good Working with Gilles Deleuze s suggestion that we don t suffer these days from any lack of communication but rather from all the forces making us say things when we ve nothing much to say St Pierre brings together the unlikely trio of the dysfluent speaker the talking head and the troll to show how speech is made cheap and produced and repaired within human bodies to meet the inhuman needs of capital The book explores how technologies like social media and the field of speech language pathology create smooth sites of contact that are exclusionary for disabled speakers and looks to the political possibilities of disabled voices to de face the power of speech now entwined with capital

Oscar Wilde and Contemporary Irish Drama Graham Price,2018-10-23 This book is about the Wildean aesthetic in contemporary Irish drama Through elucidating a discernible Wildean strand in the plays of Brian Friel Tom Murphy Thomas Kilroy Marina Carr and Frank McGuinness it demonstrates that Oscar Wilde s importance to Ireland s theatrical canon is equal to that of W B Yeats J M Synge and Samuel Beckett The study examines key areas of the Wildean aesthetic his aestheticizing of experience via language and self conscious performance the notion of the dandy in Wildean texts and how such a figure is engaged with in today s dramas and how his contribution to the concept of a verbal theatre has influenced his dramatic successors It is of particular pertinence to academics and postgraduate students in the fields of Irish drama and
