The Incurrigibles Ry Marcattilio-McCracken,2023-10 Between September 1935 and June 1936 sixty two girls from a reformatory in north central Kansas were sterilized in the name of eugenics None of the girls were habitual criminals had multiple children were living on social welfare or were found to have IQs below seventy in other words almost none of them fit the categories usually described by eugenicists as justification for sterilization or covered by Kansas s eugenic sterilization law Yet no one at the time including the reform school superintendent who ordered the procedures performed had trouble defending the sterilizations as eugenically minded The general public however found the justifications significantly more controversial after the story hit the newspapers In *The Incurrigibles* Ry Marcattilio McCracken interrogates the overlooked history of eugenics in Kansas He argues that eugenics developed alongside Progressive social welfare reforms in public health criminal deterrence child welfare and juvenile delinquency Between 1890 and 1955 ideas about rural degenerationism and hereditarianism infused the mission of progressive reformers who linked delinquency incorrigibility and immorality to inheritable traits Marcattilio McCracken shows how the era s institutional overcrowding landmark Supreme Court cases and the economic downturn of the Great Depression contributed to the sterilization of the students from the Girls Industrial School in Beloit Kansas

 1911 **Pioneering Death** Peter Boag, 2022-05-24 On an autumn day in 1895 eighteen year old Loyd Montgomery shot his
 parents and a neighbor in a gruesome act that reverberated beyond the small confines of Montgomery's Oregon farming
 community The dispassionate slaying and Montgomery's consequent hanging exposed the fault lines of a rapidly
 industrializing and urbanizing society and revealed the burdens of pioneer narratives boys of the time inherited In **Pioneering
 Death** Peter Boag examines the Brownsville parricide as an allegory for the destabilizing transitions within the rural United
 States at the end of the nineteenth century While pioneer families celebrated and memorialized founders of western white
 settler society their children faced a present and future in frightening decline Connecting a fascinating true crime story with
 the broader forces that produced the murders Boag uncovers how Loyd's violent acts reflected the brutality of American
 colonizing efforts the anxieties of global capitalism and the buried traumas of childhood in the American West **Appendix
 to Journals of Senate and Assembly ... of the Legislature** Nevada. Legislature, 1919 **True Gardens of the Gods** Ian
 Tyrrell, 2023-12-22 One of the most critical environmental challenges facing both Californians and Australians in the 1860s
 involved the aftermath of the gold rushes Settlers on both continents faced the disruptive impacts of mining grazing and
 agriculture in response to these challenges environmental reformers attempted to remake the natural environment into an
 idealized garden landscape As this cutting edge history shows an important result of this nineteenth century effort to
 renovate nature was a far reaching exchange of ideas between the United States especially in California and Australia Ian
 Tyrrell demonstrates how Californians and Australians shared plants insects personnel technology and dreams creating a
 system of environmental exchange that transcended national and natural boundaries **True Gardens of the Gods** traces a new
 nineteenth century environmental sensibility that emerged from the collision of European expansion with these frontier
 environments Tyrrell traces historical ideas and personalities provides in depth discussions of introduced plants species such
 as the eucalyptus and Monterey Pine looks at a number of scientific programs of the time and measures the impact of race
 class and gender on environmental policy The book represents a new trend toward studying American history from a
 transnational perspective focusing especially on a comparison of American history with the history of similar settler societies
 Through the use of original research and an innovative methodology this book offers a new look at the history of
 environmentalism on a regional and global scale One of the most critical environmental challenges facing both Californians
 and Australians in the 1860s involved the aftermath of the gold rushes Settlers on both continents faced the disruptive
 impacts of mining grazing and agriculture in response to **Journal of the proceedings** Oregon. Legislative Assembly.
