Second Chance For American Protestants:

Second Chance for American Protestants Martin E. Marty, 1963 *American Protestants and TV in the 1950s* M. Rosenthal, 2007-10-01 Americans in the 1950s faced the challenge of negotiating the new medium's place in the home and in American culture in general Using the American Protestant experience of the introduction of television Rosenthal illustrates the importance of the interplay between a new medium and its users God in Public Mark G. Toulouse, 2006-01-01 In this important study Mark Toulouse maps the ambiguous landscape between American Christianity and American public life Built on an extensive study of religious periodical literature since the mid 1950s and on an analysis of landmark events in American history Toulouse develops an insightful typology for understanding how Americans have related their Christian faith to public life For Toulouse the relationship between American Christianity and American public life exists in four styles of interaction iconic faith priestly faith the public Christian and the public church with each model appearing in various forms across the terrain of American history Carefully examined and accessibly written this study is sure to generate discussion and bring clarity to the many ambiguities and diversities that continue to mark American Christianity **Encyclopedia of Protestantism** Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day **The Suicide of Christian Theology** John Warwick Montgomery, 2018-01-26 A forceful scholarly call to return to the solid ground of the ancient creeds of Christianity Dr Montgomery's incisive observations on Barth Bultmann Tillich de Chardin Pike and others may rankle some readers on occasion But there can never be any question about the mental acumen he brings to bear upon his subject or the skill with which he pens his views Montgomery is so obviously at home in the area of the theological and so conversant with the convictions of his fellow theologians that he certainly must be reckoned with Not content with only analyzing the suicide of theology the author also gives a proposal for its resurrection A Religious History of the American People Sydney E. Ahlstrom, 2004-01-01 This classic work winner of the 1973 National Book Award in Philosophy and Religion and Christian Century's choice as the Religious Book of the Decade 1979 is now issued with a new chapter by noted religious historian David Hall who carries the story of American religious history forward to the present day Praise for the earlier edition An unusual and praiseworthy book It takes a modern almost anthropological view of history in which worship is a part of a web of culture along with play love dress and language B A Weisberger Washington Post Book World The most detailed most polished of the works in its tradition Martin E Marty New

York Times Book Review An intellectual delight that one does not so much read as savor America The definitive one volume study by the leading authority Christianity Today No one writing or thinking hereafter about America s past will be able to ignore Ahlstrom s magisterial account of the religious element American Historical Review **Miracles and Sacrilege**
 William Bruce Johnson,2008-01-05 Miracles and Sacrilege is the story of the epochal conflict between censorship and freedom in film recounted through an in depth analysis of the U S Supreme Court s decision striking down a government ban on Roberto Rossellini s film The Miracle 1950 In this extraordinary case the Court ultimately chose to abandon its own longstanding determination that film comprised a mere business unworthy of free speech rights declaring for the first time that the First Amendment barred government from banning any film as sacreligious Using legal briefs affidavits and other court records as well as letters memoranda and other archival materials to elucidate what was at issue in the case William Bruce Johnson also analyzes the social cultural and religious elements that form the background of this complex and hard fought controversy focusing particularly on the fundamental role played by the Catholic Church in the history of film censorship Tracing the development of the Church in the United States Johnson discusses the reasons it found The Miracle sacrilegious and how it attained the power to persuade civil authorities to ban it The Court s decision was not only a milestone in the law of church state relations but it paved the way for a succession of later decisions which gradually established a firm legal basis for freedom of expression in the arts Imagining Judeo-Christian America K. Healan Gaston,2019-11-15 Judeo Christian is a remarkably easy term to look right through Judaism and Christianity obviously share tenets texts and beliefs that have strongly influenced American democracy In this ambitious book however K Healan Gaston challenges the myth of a monolithic Judeo Christian America She demonstrates that the idea is not only a recent and deliberate construct but also a potentially dangerous one From the time of its widespread adoption in the 1930s the ostensible inclusiveness of Judeo Christian terminology concealed efforts to promote particular conceptions of religion secularism and politics Gaston also shows that this new language originally rooted in arguments over the nature of democracy that intensified in the early Cold War years later became a marker in the culture wars that continue today She argues that the debate on what constituted Judeo Christian and American identity has shaped the country s religious and political culture much more extensively than previously recognized *Modern American Religion, Volume 2* Martin E. Marty,1997-06-21 In this second volume of two tracing the history of 20th century American religion Martin E Marty tells the story of how America has survived religious disturbances and culturally prospered from them **Trump and the Protestant Reaction to Make America Great Again** Matthew Rowley,2020-11-01 This book explores how polarised interpretations of America s past influence the present and vice versa A focus on competing Protestant reactions to President Trump s Make America Great Again slogan evidences a fundamental divide over how America should remember historical racism sexism and exploitation Additionally these Protestants disagree over how the past influences present injustice and

equality The 2020 killing of George Floyd forced these rival histories into the open Rowley proposes that recovering a complex view of the past confessing the bad and embracing the good might help Americans have a shared memory that can bridge polarisation and work to secure justice and equality An accessible and timely book this is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of Protestantism history political science religious studies and sociology **The Secular City** Harvey Cox, 2013-09-08 Since its initial publication in 1965 The Secular City has been hailed as a classic for its nuanced exploration of the relationships among the rise of urban civilization the decline of hierarchical institutional religion and the place of the secular within society Now half a century later this international best seller remains as relevant as when it first appeared The book's arguments that secularity has a positive effect on institutions that the city can be a space where people of all faiths fulfill their potential and that God is present in both the secular and formal religious realms still resonate with readers of all backgrounds For this brand new edition Harvey Cox provides a substantial and updated introduction He reflects on the book's initial stunning success in an age of political and religious upheaval and makes the case for its enduring relevance at a time when the debates that The Secular City helped ignite have caught fire once again *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service, 1996

American Missions in Bicentennial Perspective American Society of Missiology, Robert Pierce Beaver, 1977 **Theology in America** Sydney E. Ahlstrom, 2003-01-01 Covering nearly 300 years of American religious writing this anthology compiles selections from thirteen notable thinkers including Thomas Hooker Jonathan Edwards Charles Hodge Ralph Waldo Emerson Josiah Royce William James and H Richard Niebuhr to reveal the vital and creative history of Protestant theology in America In his substantial Introduction Sydney Ahlstrom relates the history of American theology in broad and accessible terms tackling his subject with characteristic clarity passion and intellectual rectitude *Lonely Planet Korea* Lonely Planet, Simon Richmond, Trent Holden, Rebecca Milner, Rob Whyte, Megan Eaves, Phillip Tang, 2016-01-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Korea is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Walk along Cheong gye cheon's long buried stream hike around Jeju do's volcanic landscape or jump into a vat of mud during the Boryeong Mud Festival all with your trusted travel companion Get to the heart of Korea and begin your journey now Inside Lonely Planet Korea Travel Guide Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience including customs history art literature cinema music dance architecture politics and wildlife Free convenient pull out Seoul map included in
