*Second From Last In The Sack Race* David Nobbs, 2014-11-20 Born into poverty saddled with a born loser and parrot strangler for a dad short sighted and ungainly young Henry Pratt doesn't exactly have a head start in life But in David Nobbs's brilliantly funny evocation of a Yorkshire boyhood unathletic and over imaginative little Pratt proves he can stick up for himself with the stoic good nature of the great British underdog *Second from Last in the Sack Race* Michael Birch, 1992 This play traces the ups and downs in the life of Henry Pratt Born in 1935 Henry's childhood is disrupted first by war then by the death of his mother and father Henry is packed off to prep school and then public school and then lives with grown up cousin Hilda The play ends in 1953 as he begins his National Service David Nobbs is well known as a TV writer of quality and this play was screened under the title *The Life and Times of Henry Pratt* *The Sack Race* Chris Green, 2012-01-06 The future of football management is a hot topic of debate An unprecedented spate of sackings in the 2001/02 season and the manner of many of the dismissals filled the back pages There has even been talk of managers going on strike to defend their ill treated colleagues Packed with big names and exclusive stories *The Sack Race* challenges the sanitised picture of football management portrayed in glossy autobiographies It lays bare a profession where pressure to obtain results is immense and the tolerance of failure is low Despite football's supposed professionalism we learn that The Gaffer is often an ill prepared ex player who has hopped onto the managerial merry go round more as a perceived character than a qualified coach This remarkable book traces the development of the football manager's role offers a critique of the way the game trains its coaches for management and raises valid concerns about the suitability of their employers the directors whose impatience creates a climate of fear and insecurity Finally it asks the controversial question does The Gaffer have a future
