## **Second Messiah Templars The Turin Shroud And The Great Secret Of Free Masonry:**

*The Second Messiah* Christopher Knight,2000      *The Second Messiah* Christopher Knight,Robert Lomas,2001-08-01 For almost seven and a half centuries a piece of cloth was venerated because it bore the image of the crucified Christ However but results of carbon dating have shown that the fabric could not have predated 1260 Now new evidence conclusively proves that it is not a face yet neither is it the image of Jesus Christ In the follow up to their groundbreaking first book *The Hiram Key* Christopher Knight and Robert Lomas continue their research into the mysteries of Freemasonry and the true historical Jesus and uncover the precise time and place of the shroud s creation The answer to the great mystery of the Shroud of Turin will surprise and astonish as the authors unlock the secrets of abandoned Freemason rituals and the man who would be called the Second Messiah      **Sacred Sites of the Knights Templar (Nipb)** , All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites Who were the people who built these monuments Why were these stones significant to them *Sacred Sites of the Knights Templar* examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar This revolutionary book offers a new explanation for two main subjects The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons The author offers theories regarding these sites their meanings their secrets their lasting impression on the Western World and their sacred symbolic influences on Freemasonry throughout history      *The Origins of Freemasonry* Margaret C. Jacob,2016-10-18 Can the ancestry of freemasonry really be traced back to the Knights Templar Is the image of the eye in a triangle on the back of the dollar bill one of its cryptic signs Is there a conspiracy that stretches through centuries and generations to align this shadow organization and its secret rituals to world governments and religions Myths persist and abound about the freemasons Margaret C Jacob notes But what are their origins How has an early modern organization of bricklayers and stonemasons aroused so much public interest In *The Origins of Freemasonry* Jacob throws back the veil from a secret society that turns out not to have been very secret at all What factors contributed to the extraordinarily rapid spread of freemasonry over the course of the eighteenth century and why were so many of the era s most influential figures drawn to it Using material from the archives of leading masonic libraries in Europe Jacob examines masonic almanacs and pocket diaries to get closer to what living as a freemason might have meant on a daily basis She explores the persistent connections between masons and nascent democratic movements as each lodge set up a polity where an individual s standing was meant to be based on merit rather than on birth or wealth and she demonstrates beyond any

doubt how active a role women played in the masonic movement      Character Counts Michael Glenn Maness,2010-12

Beware of False Religions & Pagan Traditions Part 2 Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces      The Hunt For Margaret Thatcher's Assassin Geoffrey Gilson,2014-05-01 An explosive tale of suspense and drama as the author dodges bullets the CIA and a crazy Israeli Intelligence agent in his real life rollercoaster quest to hunt down the key to the deep dark secret which will rock the governments of both Great Britain and the United States and trigger the political scandal of the century

J. Sell,2008-08-31 Have you ever wondered how the Knights Templar s were created Why they frightened the Church so much with their secrets Or why they were destroyed and evolved into modern day Freemasonry Well this is a completely revised and readable account of the history of the founding of the Knights Templar Why they were founded What the treasure was that they found and why it frightened the church so much It was NOT THE POPULAR MYTHS of holy grail etc How they were destroyed and who conspired to destroy them and how they formed into the present day Freemasons Written by a Freemason who has tried to understand all the Masonic Orders and their ceremonies that he has joined The interpretations of which gives a very enlightening insight into politics and religion of the last 3000 years The hypothesis on the treasure is something that is not currently in the public domain except for the first edition of the book and is entirely new The book is also a myth buster and conspiracy debunker     **The Hiram Key** Christopher Knight,Robert Lomas,2011-10-31 Was Jesus a Freemason The discovery of evidence of the most secret rites of Freemasonry in an ancient Egyptian tomb led authors Chris Knight and Bob Lomas into an extraordinary investigation of 4 000 years of history This astonishing bestseller raises questions that have challenged some of Western

civilisation s most cherished beliefs Were scrolls bearing the secret teachings of Jesus buried beneath Herod s Temple shortly before the destruction of Jerusalem by the Roman s Did the Knights Templar the forerunners of modern Freemasonry excavate these scrolls in the twelfth century And were these scrolls subsequently buried underneath a reconstruction of Herod s Temple Rosslyn Chapel in Scotland where they are now awaiting excavation The authors discoveries shed a new light on Masonic ceremony and overturn out understanding of history      **Turning the Templar Key** Robert

Lomas,2007-10-25 Discover the truth about the connection between the Knights Templar and the Freemasons The third volume in Robert Lomas s Key trilogy this book explains the relationship of the Knights Templar to modern day Freemasonry The contemporary view of the Knights Templar according to Lomas has been romanticized and glorified to the point where it does not resemble the reality namely that the Knights Templar were uneducated religious zealots more akin to Al Qaeda than a true monastic order The order only existed for a couple of hundred years and was disbanded seven hundred years ago Lomas asks the question Why do people even care about them anymore Lomas draws on Freemasonic information to answer this question and to explore the rituals and myths of the Knights Templar and how they relate to Freemasonry Along the way he delves into the mysteries of Roslin chapel the history of agriculture and the role of women in spreading it At the heart of the book is Lomas s exploration of how the tolerant and inclusive spiritual practices of modern Freemasonry managed to grow out of what was effectively an order of suicide bombers October 13 2007 is the 700th anniversary of the Dissolution of the Knights Templar      **Turning the Templar Key** Robert Lomas,2007 Why were the Knight s Templar forcibly disbanded
