*Second Peter and Jude* D. Edmond Hiebert, 1989 Second Peter and Jude have been called the dark corner of the New Testament writes D Edmond Hiebert in the preface to this volume his latest work He suggests that the label dark results from the mistaken notion that these epistles deal with obsolete issues or that they contain so many things hard to be understood He insists however that Second Peter and Jude are of abiding spiritual importance for our own troubled and turbulent days In a clear concise style Dr Hiebert attempts to cast light into this dark corner With balanced scholarly research Dr Hiebert not only interprets particular phrases and verses in 2 Peter and Jude but he also strives to relate these smaller components to the overall message of each epistle The author also explores the relationship of 2 Peter and Jude to each other Always there is the practical emphasis on how these epistles relate to modern believers Back cover **James, 1-2 Peter, Jude, Revelation**
