order in which to read unnumbered series the second spring cardinal newman,1911 **Irish Stew!** Andrew M. Greeley,2007-04 And what a stew it is Here are some of the ingredients Our heroine Nuala Anne McGrail in her guise as international singing star accompanied by her spear carrying husband Dermot Coyne is off to a major music festival in Milan where they meet Seamus Costelloe a Chicago Irish macher and his family Seamus is no better than he should be and in fact the suspicion is that he s very bad indeed but softhearted Nuala sees the sign of death on him she hasn t lost her ability to see into the future and decides to do something about it She also sees something good in him Which leads to a few hair raising conflicts with some of Chicago s more desperate characters Nuala and Dermot s new baby is premature and dark clouds hover over their sublimely happy marriage Meanwhile Dermot is trying to solve the mystery of Chicago s Haymarket riot which isn t easy since it happened over a hundred years ago Only bestselling author Andrew M Greeley with his knowledge of Ireland and Chicago s unsavory politics plus his uncanny ability to combine two stories one in the present and one in the past and his talent for building mystery and suspense to an almost unbearable degree could have written this truly tantalizing novel At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Chicago of Fiction James A. Kaser,2011-02-01 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **Your Library** ,1927 **Through Jamaican Lenses** Fern June Khan,2024-08-30 Born and raised on the island of Jamaica Fern June Khan has valued and embraced Jamaica in each stage of her life Despite the island s economic and educational challenges during her youth Khan s childhood was a colorful one replete with the vibrant culture of the island endlessly supportive role models and a complex social tapestry Her early experiences empowered Khan to develop an unwavering sense of self as she progressed into adulthood and moved to the United States *Through Jamaican Lenses A Memoir* celebrates Khan s joyful upbringing journey to a new environment and her many educational and professional accomplishments Centering on her early life in Jamaica in the 1940s and 50s this memoir

reveals Khan's childhood as one rich with opportunities to observe and experience the complexities of Jamaican life and history. Khan's childhood memories revel in the community's vivid folklore, Jamaica's music and food, and popular idioms and sayings as well as the implications of color and class. Then a British colony, Jamaica still bore the legacies and social impacts of slavery and emancipation. Jamaica was becoming increasingly globalized, and along with that transition came a growing interest in cultural exchange. Stories of economic success poured in from relatives and friends who had traveled abroad, whether as seasonal workers or as immigrants. As Khan grew, ambition brought her to the United States as a foreign student. She graduated from New York University with a BSc in sociology and a graduate degree in social work. Following a brief career in social work, Khan next cultivated a forty-four year career in higher education, using her social work skills to inform her work developing education programs for children, youth, and adults alike in New York City and beyond. Bolstered by her early education in Jamaica, these achievements would not have been possible without the support of her community. Examining not only Jamaica's contribution to the arts, its customs and traditions, and its social and cultural heritage, *Through Jamaican Lenses* explores honestly the diasporic experience of Caribbean immigration, postcolonialism, collective and individual memory, and transnational identity.
