Jesus Christ Like most of us I accepted Jesus Christ as a child and was patted on the back and told I was good to go So I went on with my life thinking I was good to go only to find out that I had no idea how to live a godly life in this world I failed over and over trying to fit in I did some good things and a lot of bad things I even went to church trying to fit in only to find out I was missing something I knew Jesus so what was I missing What I have found out over the years is that this world cannot give us what our heart desires It doesn't matter what we try to do we just cannot fit in Like most of you I knew I was missing something I knew Jesus but I still was missing something So in this book I will explain what I was missing and how I got there It is a journey that took me over fifty two years to figure out I love God and you too much to keep to myself what our Lord put in my heart to write to you What I was missing was a relationship with Jesus Christ It is through a relationship with God through Jesus Christ that we can have peace in this world A relationship takes time to build and fully develop It is only through us working on that relationship that we grow to understand what true love is It is an eternal relationship where we walk in love in this world I pray that you open your heart to the words God put in my heart to write to you to help you wrap your arms around Jesus so you can find what you have been missing
