Second To None Superstars On The Rise

Richard S. Tedlow

Second To None Superstars On The Rise:

Jim Carrey Nancy Krulik,2001-10-27 Kidding Around with the King of Comedy Jim Carrey is used to being laughed at In fact he thrives on entertaining others As a precocious young boy he practiced pulling faces in the bathroom mirror a talent that would later prove to be instrumental in his success and performed self created skits for his family Unfortunately his life wasn't one smooth cruise to the top The Canadian born funnyman's rags to riches tale is the stuff dreams are made of Since his early smash hit Ace Ventura Pet Detective the blockbuster movie roles just keep on coming But Carrey isn't content simply to play it safe and stick with the slapstick comedy roles he knows and performs so confidently In fact with releases such as The Truman Show and Man on the Moon Carrey has challenged himself creatively and shown audiences that he is capable of demonstrating sensitivity and immense dramatic range With his latest hit movie How the Grinch Stole Christmas this shooting star's future just keeps getting brighter

Heath Ledger: The Heath Is On! Nancy Krulik,2002-02-10 HEATH WAVE Heath Ledger may come from the land Down Under but he's taking Hollywood by storm After starting out in local musical theater this talented hottie left his hometown Perth and headed to Sydney to forge a career in television and film Success came easily in Australia with Heath landing roles in the TV drama Sweat as well as some Aussie films Then at 17 and with less than a dollar in his pocket the precocious actor decided to try his luck in Los Angeles He gained instant recognition starring opposite Julia Stiles in 10 Things I Hate About You but the critical acclaim poured in after he nearly stole the show from Mel Gibson in The Patriot And the rest has been Hollywood history With lead roles in the eagerly anticipated films A Knight's Tale and The Four Feathers Heath's career is on fire Now read all about Heath his family life his hobbies his attitude toward show business and more In The Heath Is On you'll get all the info on this up and coming young star gossip anecdotes horoscope vital stats it's all in here The Heath is definitely on

Scott and Scott Nancy Krulik,2000 Coinciding with the beginning of the third season of the TV show Felicity is this release of the unauthorized biography of the two hunky actors Scott Speedman and Scott Foley who play Ben and Noel Aside from the inside scoop on these stars the book provides color photos trivia horoscopes quizzes and more *The Ultimate Boy Band Book* Frederick Levy,2000 Written by an industry insider with unprecedented access this book features exclusive new interviews and little known information on the hot boy bands such as Backstreet Boys N Sync and 98 Degrees Includes an 8 page color photo insert and a section on the history of boy bands dating back to the Beatles

Marc Bolan: The Rise And Fall Of A 20th Century Superstar Mark Paytress,2009-11-05 Marc Bolan was the very first superstar of the 1970s As the seductive focus of T Rex he revelled in fame and fortune released a string of classic records before tragically losing his way The fatal car accident in 1977 cut short his planned comeback as a punk rocker but also served to fix Bolan as the definitive icon of the Glam years Bolan's music and chameleonic style were to influence a generation of future bands In his various guises he could be a beatnik a mod a punk a hippie and a Glam hero This biography of a pop obsessive draws from interviews with many friends and colleagues including

broadcaster John Peel brother Harry and band members Mickey Finn and Bill Legend **The Publishers Weekly** ,2000

The Emergence of Charismatic Business Leadership Richard S. Tedlow,2021-09-14 Harvard Business School Emeritus professor Richard S Tedlow examines how the role of the business leader has changed since World War II A handful of individuals have helped transform the face of modern day leadership making charisma essential to the role Through Tedlow s in depth accounts of modern business history we see how charismatic leadership enables the creation of revolutionary new products and makes it possible for former outsiders to attain power and influence Tedlow shows the skills and tools necessary to oversee a successful business and become a charismatic business leader *Second to None: Superstars on the Rise* Nancy E. Krulik, *InfoWorld* ,1981-04-27 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Prehistoric* Alex Wong,2023-10-24 The improbable story of the birth of modern day pro basketball in Toronto In just over 25 years the Toronto Raptors have evolved from an intrepid expansion team to an NBA champion But for all the triumphs of the past decade the beginning looked a bit different When the franchise began its first season in 1995 a pro basketball team in Toronto was viewed as an experiment There was no playbook to follow and very few people gave them a chance to succeed In *Prehistoric* irreverent Raptors voice and culture writer Alex Wong explores the franchise s fascinating and unconventional inception through 140 original interviews with those involved with the team s very beginning examining the process of how the team came up with their name and logo inspired by the blockbuster film Jurassic Park taking a behind the scenes look at the drafting of star point guard Damon Stoudamire telling the backstories of a group of misfits who formed the first year roster and providing an in depth look at the team s opening night victory at the SkyDome and the expansion franchise s signature win over Michael Jordan and a 72 win Chicago Bulls team The Raptors boldly and intentionally pursued a much different audience in a hockey first town The result is a team who went through the necessary growing pains and eventually captured the heart of a city as told in this essential origin story through the lens of the people who were there to help lay the foundation for a thriving modern day basketball franchise in Toronto *In Praise of Commercial Culture* Tyler COWEN,Tyler Cowen,2009-06-30 Does a market economy encourage or discourage music literature and the visual arts Do economic forces of supply and demand help or harm the pursuit of creativity This book seeks to redress the current intellectual and popular balance and to encourage a more favorable attitude toward the commercialization of culture that we associate with modernity Economist Tyler Cowen argues that the capitalist market economy is a vital but underappreciated institutional framework for supporting a plurality of coexisting artistic visions providing a steady stream of new and satisfying creations supporting both high and low culture helping consumers and artists refine their tastes and paying homage to the past by capturing reproducing and disseminating it Contemporary culture Cowen argues is flourishing in its various manifestations including the visual arts

literature music architecture and the cinema Successful high culture usually comes out of a healthy and prosperous popular culture Shakespeare and Mozart were highly popular in their own time Beethoven's later less accessible music was made possible in part by his early popularity Today consumer demand ensures that archival blues recordings a wide array of past and current symphonies and this week's Top 40 hit sit side by side in the music megastore High and low culture indeed complement each other Cowen's philosophy of cultural optimism stands in opposition to the many varieties of cultural pessimism found among conservatives neoconservatives the Frankfurt School and some versions of the political correctness and multiculturalist movements as well as historical figures including Rousseau and Plato He shows that even when contemporary culture is thriving it appears degenerate as evidenced by the widespread acceptance of pessimism He ends by considering the reasons why cultural pessimism has such a powerful hold on intellectuals and opinion makers
