Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force:

Second to None Kevin R. Shackleton, 2017-08-30 The story of the Fighting 58th one of 50 infantry battalions to see action with the Canadian Expeditionary Force during the First World War **Second to None** Kevin R. Shackleton, 2002-08-26 The story of the Fighting 58th one of 50 infantry battalions to see action with the Canadian Expeditionary Force during the First World War **The Torch We Throw: The Dundurn WWI Historical Library** Brereton Greenhous, James McWilliams, R. James Steel, Kevin R. Shackleton, George H. Cassar, Bruce Cane, 2014-07-23 The giant conflagration of the First World War created the world we live in today and its history is replete with stirring battles mind boggling strategies and geopolitical manoeuvring However the real story was lived in the trenches of Europe and the lonely households of those left behind The stories of this period are full of tragedy anger and loss but also inspirational courage This special five book bundle presents some of these stories from brave Canadian contributions to the battlefields at Ypres and Amiens to the specific untold story of Canada's unheralded 58th Division to an analysis of the myth and legend of air ace Billy Bishop to the voice of one single soldier Deward Barnes told through his diary These books provide new and enlightening perspectives on the war Amiens Hell in Flanders Fields It Made you Think of Home The Making of Billy Bishop **Second to None** **It Made You Think of Home** Bruce Cane, George Frederick Barnes, 2004-08-01 We took our positions five kneeling and five standing we got the order to fire One blank and nine live rounds I did not have the blank That is the voice of Deward Barnes an unwilling but dutiful member of the firing squad that shot Harold Lodge one of 25 Canadians executed during the First World War In this diary we hear something that is otherwise gone forever the authentic voice of the First World War soldier Everyman in khaki Fully annotated so that everyone today can understand the nuance of each entry the Barnes diary takes us into the trenches and the firing lines of the Western Front like no other first hand Canadian account of that terrible war can Like any trained infantryman Deward could tell the kick of a live round from a blank one and that kick he bestows on us with each turn of the page *Toronto's Fighting 75th in the Great War 1915-1919* Timothy J. Stewart, 2017-09-21 Foreword by His Royal Highness Charles Prince of Wales Hospital ships filled the harbour of Le Havre as the 75th Mississauga Battalion arrived on 13 August 1916 Those soldiers who survived would spend almost three years in a tiny corner of northeastern France and northwestern Belgium Flanders where many of their comrades still lie And they would serve in many of the most horrific battles of that long bloody conflict Saint Eloi the Somme Arras Vimy Hill 70 Lens Passchendaele Amiens Drocourt Qu ant Canal du Nord Cambrai and Valenciennes This book tells the story of the 75th Battalion later the Toronto Scottish Regiment and the five thousand men who formed it most from Toronto from all walks of life They included professionals university graduates white and blue collar workers labourers and the unemployed some illiterate They left a comfortable existence in the prosperous strongly pro British provincial capital for life in the trenches of France and Flanders Tommy Church mayor of Toronto from 1915 to 1921 sought to include his city's name in the unit's name because of the many city officials and local

residents who served in it Three years later Church accepted the 75th s now heavily emblazoned colours for safekeeping at City Hall from Lieutenant Colonel Colin Harbottle who returned with his bloodied but successful survivors The author pulls no punches in recounting their labours triumphs and travails Timothy J Stewart undertook exhaustive research for this first ever history of the 75th drawing from archival sources focusing on critical decisions by Brigadier Victor Oldum General Officer Commanding 11th Brigade diaries letters newspaper accounts and interviews *Clio's Warriors* Tim

Cook,2011-11-01 Clio s Warriors examines how the Canadian world war experience has been constructed and reconstructed over time Tim Cook elucidates the role of historians in codifying the sacrifice and struggle of a generation as he discusses historical memory and writing the creation of archives and the war of reputations that followed each of the world wars on the battlefield Only recently have academic military historians pushed the discipline to explore the impact of war on society Even so the publications of official historians remain the central narrative of the national experience In analyzing where the profession has come from and where it needs to go Clio s Warriors plays a vital role in the ongoing challenge of writing critical history It will be an essential addition to the library of all Canadian military historians and students of military history and historiography The Road Past Monchy Terence Loveridge,2024-03-05 Terence Loveridge offers a unique look at the

land and air operations around the strategic village of Monchy le Preux at the center of the western front during World War I The story of the Great War is usually one of condemnation or rehabilitation of strategists and consecration of the common soldier while the story of those who planned directed and led operations on the ground has generally been overlooked Loveridge uses experiences of junior leaders fighting around the key terrain of Monchy le Preux to challenge the currently accepted views and reveal that the Great War despite subsequent impression was a surprisingly dynamic effort conducted in an arena of constantly evolving practices techniques and technology Less well known than its contemporary campaigns at the Somme Verdun or Passchendaele Monchy also carries less preconceived baggage and thus offers a prime opportunity to reevaluate the accepted wisdom of the events personalities and understandings of the Great War The Road Past Monchy offers readers a unique chance to uncover the lost perspective of junior war leaders in a theater of war that saw almost continuous operations from 1914 through to 1918 Old Enough to Fight Dan Black,John Boileau,2013-09-18 Between 15 000 and 20 000 underage youths some as young as ten signed up to fight in Canada s armed forces in the First World War They served in the trenches alongside their elders and fought in all the major battles Ypres the Somme Passchendaele Vimy Ridge and the rest Many were injured or suffered psychological wounds Many died This is the first book to tell their story Some boys joined up to escape unhappy homes and workplaces Others went with their parents blessing carrying letters from fathers and mothers asking the recruiters to take their eager sons The romantic notion of a short victorious campaign was wiped out the second these boys arrived on the Western Front The authors who narrate the fighting with both military professionalism and humanity portray many boys who in the heat of battle made a seamless transition from follower to leader

to hero Authors Dan Black and John Boileau combed the archives and collections to bring these stories to life Passages from letters the boy soldiers wrote home reveal the range of emotions and experiences they underwent from the humorous to the unspeakably horrible Their parents letters touch us with their concern love uncertainty and often grief Meticulously researched and abundantly illustrated with photographs paintings and a collection of specially commissioned maps Old Enough to Fight is Canadian military and social history at its most fascinating

The Invisible Soldier Veronica Cusack,2013-09-03 In November 1915 a shy cosseted and rather pompous bank clerk left Canada to fight as a lieutenant on the battlefields of Europe Despite genteel poverty his mother had raised him to be the heir to both military greatness and aristocratic splendour She even followed him to Europe in an attempt to manipulate his destiny But in the awful killing ground of the Ypres Salient and subsequently at Vimy and Passchendaele William Arthur Peel Durie came to understand something of the man he was instead of the man he was supposed to be Mother was not pleased When her son died in the trenches of France Anna Durie could once again control his fate Despite the dictates of Britain and the Empire stating that soldiers who fell in the Great War must rest with their comrades she made up her mind to steal his body from its grave in the military cemetery near Lens and smuggle it home to the Toronto family plot Veronica Cusack has unearthed a treasure trove of letters memoirs and war records and used them to brilliantly recreate a soldier finding himself in battle and a woman driven by her maternal obsession

Reluctant Warriors Patrick M. Dennis,2017-09-22 During the Hundred Days campaign of the First World War over 30 percent of conscripts who served in the Canadian Corps became casualties Yet they were generally considered slackers for not having volunteered to fight Reluctant Warriors is the first examination of the pivotal role played by Canadian conscripts in the final campaign of the Great War on the Western Front Challenging long standing myths about conscripts Patrick Dennis examines whether these men arrived at the right moment and in sufficient numbers to make any significant difference to the success of the Canadian Corps He examines the conscripts themselves their journey to war the battles in which they fought and their largely undocumented sacrifice and heroism Reluctant Warriors sheds new light on the success of the Military Service Act and provides fresh evidence that conscripts were good soldiers who fought valiantly and made a crucial contribution to the war effort

Modern Sport - The Global Obsession Boria Majumdar,Fan Hong,2013-09-13 Sport has become more than a simple physical expression or game it now pervades all societies at all levels and has become bound up in nationalism entertainment patriotism and culture Now a global obsession sport has infiltrated into all areas of modern life and despite noble ideals that sport stands above politics religion class gender and ideology the reality is often very different These essays by leading academics and rising new talent consider the phenomenon of modern sport and its massive influence over global society Together this collection is also a tribute to the pioneering and inspirational work of Professor J A Mangan on the political religious class and gender based aspects of modern sport from academics greatly influenced by him and his writing This book was previously published as a special issue

of The International Journal of the History of Sport **Vimy** Tim Cook, 2017-03-07 1 NATIONAL BESTSELLER Winner of the 2018 JW Dafoe Book Prize Longlisted for British Columbia's National Award for Canadian Non Fiction 2018 Runner up for the 2018 Templer Medal Book Prize Finalist for the 2018 Ottawa Book Awards A bold new telling of the defining battle of the Great War and how it came to signify and solidify Canada's national identity Why does Vimy matter How did a four day battle at the midpoint of the Great War a clash that had little strategic impact on the larger Allied war effort become elevated to a national symbol of Canadian identity Tim Cook Canada's foremost military historian and a Charles Taylor Prize winner examines the Battle of Vimy Ridge and the way the memory of it has evolved over 100 years The operation that began April 9 1917 was the first time the four divisions of the Canadian Corps fought together More than 10 000 Canadian soldiers were killed or injured over four days twice the casualty rate of the Dieppe Raid in August 1942 The Corps victory solidified its reputation among allies and opponents as an elite fighting force In the wars aftermath Vimy was chosen as the site for the country's strikingly beautiful monument to mark Canadian sacrifice and service Over time the legend of Vimy took on new meaning with some calling it the birth of the nation The remarkable story of Vimy is a layered skein of facts myths wishful thinking and conflicting narratives Award winning writer Tim Cook explores why the battle continues to resonate with Canadians a century later He has uncovered fresh material and photographs from official archives and private collections across Canada and from around the world On the 100th anniversary of the event and as Canada celebrates 150 years as a country Vimy is a fitting tribute to those who fought the country's defining battle It is also a stirring account of Canadian identity and memory told by a masterful storyteller *On Common Ground* Richard D. Merritt, 2012 A large tract of land in Niagara on the Lake has witnessed an extraordinarily rich military and political history It was the site of the first parliament in Upper Canada saw numerous negotiations between First Nations and early settlers and was the location of a strategic battle in the War of 1812 **The Dundurn Group** The Dundurn Group, **The Journal of Military History**, 2008-10

Canadian Books in Print. Author and Title Index, 1975 »When you catch one kill him slowly« Birgit Aschmann, Jan C. Behrends, Sönke Neitzel, Christin Pschichholz, 2024-10-09 Haben sich in militärischen Einheiten in Gesellschaften Staaten oder Nationen spezifische Kulturen etabliert die zu exzessiver militärischer Gewalt geführt haben Die Beiträge dieses Bandes untersuchen wie sich in den regulären Armeen der europäischen Großmächte von der Frühen Neuzeit bis zum Ende des Zweiten Weltkriegs spezifische militärische Gewaltkulturen entwickelten Zudem beleuchten sie welche Rolle diese bei der Ausübung exzessiver Gewalt von Soldaten spielten Der Fokus des Bandes liegt dabei auf physischer Gewalt die von Zeitgenossen sowohl in Kriegen als auch in Friedenszeiten als illegitim angesehen wurde So können sowohl die Maßstäbe der Legitimität und Illegitimität von Gewalt als auch die Bedingungen ihres Wandels aufgezeigt werden Das überraschende Ergebnis ist Trotz der Spezifität militärischer Gewaltkulturen der europäischen Armeen in den verschiedenen Epochen hatten diese weniger Auswirkungen auf exzessive Gewalt als bislang in der Geschichtswissenschaft angenommen <https://www.jmhist.org/>

Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force Books

1. Where can I buy Second To None The Fighting 58th Battalion Of The Canadian Expeditionary Force books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
