The Loves of the Angels ... With Embellishments Thomas Moore,1823 **After Eden** Ezra Carias,2023-05-13 Aren and his fellow angels stopped Lucifer and the angels who chose to follow him from invading Heaven The Father then cast them into the deepest and darkest part of the Earth In the mean time God the Father restored the Earth and built a garden called Eden He has assigned different angels to do different tasks One of the tasks is to take care of the beings the Father created He calls them humans Lucifer managed to get to the Earth s surface He made his way to where the humans live the garden of Eden He leads the humans away from God the Father and as a result they get banished from the garden This is when they the angels serving the Father discover Kryvo one of the angels who fought against Lucifer has gone missing God the Father gives Aren a mission find Kryvo and bring him back to Heaven This mission will force Aren to examine the real motivation behind serving the Father as well as answering an important question did he pick the wrong side in the conflict between Lucifer and God the Father **Horae Apocalypticæ Vol. 3** E. B. Elliot,2018-05-30 *Horae Apocalypticæ* is a commentary on the apocalypse critical and historical including also an examination of the chief prophecies of Daniel It is doubtless the most elaborate work ever produced on the Apocalypse Editors Note 2018 Quin Ed E B Elliot finished his great work about the year 1860 The nature of the Historicist method of interpretation is such that the line of fulfilled prophecy is continually moving with the passage of time The interpretation of which necessarily requires a certain amount of speculation which must be verified before accepted as true As well intentioned as many are the passage of time will overthrow the best of expositors on some points of which time would reveal to be mere speculation Though the bulk of Mr Elliot s work still stands the test of time time has unveiled a more likely or true interpretation on some points The editors herein have made some updates commensurate **Every Prophecy of the Bible** John F. Walvoord,1999 Clear explanations for uncertain times by one of today s premier prophecy scholars *Reading Revelation* Joseph L. Trafton,2005 Trafton has produced a clear understandable insightful reading of the book of Revelation not an easy task for a book that has left many readers puzzled and confused One of the particular strengths of Trafton s commentary is his close attention to the structure of John s work and the internal connections between various passages of the book Readers will also benefit from Trafton s identification of

This book is the words of God explaining about the book of Revelation and about the end time It gives us the God's
explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues
of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out
of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of
God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus
showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away
by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the
world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away
with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up
Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness
looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the
elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have
translated Soon there will be the second and third volume of the messages of the book of Revelation coming out This is the
second volume of the messages of the book of Revelation a third volume awaits There will be explanations in detail about the
plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these
books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of
upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all **Intergalactic
