Second Coming:

Christ's Second Coming David Brown, 1868 **The Second Coming of Christ, and the Resurrection** Ephraim Currier, 1841 The Second Coming John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God's own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ's longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ's return as well as a certainty about how to live expectantly until He comes again *The Second Coming - Teacher's Manual PDF* Dr. Brian J. Bailey, 2020-01-16 The Second Coming of Christ is one of the foremost topics of our day This anointed study by Dr Bailey will help to protect us from being deceived and misled by other false doctrines and will help the Church to be ready for the Second Coming Some of the topics that will be covered are A great worldwide spiritual awakening The rise of the ten kings in the restored Roman Empire The appearance of the two great witnesses The appearance of the Antichrist The Great Tribulation The Battle of Armageddon The final siege of Jerusalem The Second Coming of Christ *Christ's Second Coming* Rice, John R., 1979 **The Second Coming of Jesus - Think Again** William H. Hogue, 2011-12 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniel's prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e.g. Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus' Second Coming would take place before Jesus' generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme *The Second Coming of Christ* Aimee Semple McPherson, 2014-05-05 The Lord will come again He promised us that But is His church ready We know neither the day nor the hour of Christ's return but we are instructed to be ready at all times Aimee Semple McPherson felt the urgency of this call and she urges the church to be ready for His glorious return Join Sister Aimee whom Time magazine named one of the most influential people of the twentieth century in discovering what the second coming of Christ means to the church today In this book she answers questions that face many

believers Is Christ coming How is He coming When is He coming For whom is He coming The harvest is ready and the Lord will come back to reap a bountiful mature body of believers Be prepared to rise up and meet Christ when He appears in the clouds of glory

Christ's Second Coming and what Will Follow Herbert McClellan Riggle,1918 **Christ's Second Coming: Will it be Pre-millennial?** David Brown (Principal of the Free Church College, Aberdeen.),1849 **I Believe in the Second Coming of Jesus** Stephen Travis,1982 *Chronological Signs of the Second Coming of Christ* Shaun

Bailey,2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord

The Second Coming Dr. Brian J. Bailey,2014-01-13 The Second Coming of Christ is one of the foremost topics of our day This anointed study by Dr Bailey will help to protect us from being deceived and misled by other false doctrines and will help the Church to be ready for the Second Coming Some of the topics that will be covered are A great worldwide spiritual awakening The rise of the ten kings in the restored Roman Empire The appearance of the two great witnesses The appearance of the Antichrist The Great Tribulation The Battle of Armageddon The final siege of Jerusalem The Second Coming of Christ **Lord, When?** John J. Cobb,2022-02-23 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the Tribulation period and the Rapture of the Church As the world draws closer to the Second Coming of our Lord it is more important than ever that all Christians understand what the Bible says about this crucial doctrine Our greatest hope lies not in theories of inferences but in undeniable facts left by our Lord in His holy word about The Seventh Trumpet The Great Apostasy The Restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 Servants With over twenty years of research and study of the end of times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian doctrine **The Second Coming of Christ**

Dwight Lyman Moody,1896 **The Hope of Christ's Second Coming** Samuel Prideaux Tregelles,1864 *The Message of the Second Coming* Steve Motyer,2022-11-17 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear one day He will return and we must know

the signs of the times remain watchful and be ready for when He comes again In this insightful study Steve Motyer explores a number of key biblical texts to unpack The Message of the Second Coming Examining passages from both the Old and New Testaments he demonstrates that Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century A new volume in the trusted the Bible Speaks Today series of commentaries The Message of the Second Coming offers a clear cogent and thought provoking exposition of what the Bible tells us about the second coming of Jesus Christ and how the lessons drawn from that can be applied to modern Christian living Used by Bible students and teachers around the world the Bible Speaks Today commentaries are ideal for students who want to deepen their understanding of Scripture and its continued relevance today This volume is also perfect for those preaching on the second coming of Christ and looking for accessible exposition they can draw on for their sermons This new edition uses the NIV Bible text and its beautiful cover matches the redesigned editions of existing Bible Speaks Today Commentary The Message of the Second Coming is perfect for anyone looking for compelling commentaries will help them better understand the meaning of the second coming of Christ and how it applies to their everyday life

The Return Thomas Ice,Timothy J. Demy,1999-02-01 Foreword by Charles C Ryrie This work presents a biblically based reasoned examination of the second coming

Discovering the Events of the Second Coming Paul Bortolazzo,2018-08-14 WHAT EVENTS WILL TAKE PLACE DURING THE SECOND COMING OF CHRIST Discovering the events Jesus will fulfill during His Second Coming is the key to understanding The Revelation of Jesus Christ Paul Bortolazzo As we edge toward the Coming of our Lord the Holy Spirit is sending forth Watchmen teaching The Revelation of Jesus Christ Believers keeping the things written in this book are being blessed There is also a warning not to take away from the words of this prophecy For those who do God will take away their part in the Book of Life and the Holy Jerusalem If anyone takes away from the words of the book of this prophecy God shall take away his part from the Book of Life from the holy city and from the things which are written in this book Revelation 22 19 Today many believe the Second Coming is a single event Sadly when you begin with a false premise you always end with a false conclusion His Coming having a beginning and an ending is a profound revelation John wrote down the events Jesus will fulfill during His Second Coming The coming of The Son of Man The return of The Holy One The appearing of The Word of God The descent of The Lamb of God Why is this so important Discovering the events taking place before during and after the Second Coming will prepare you to overcome during the future Great Tribulation of the saints

Come, Lord Jesus! Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around

which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

The Second Coming of Jesus the Messiah E. Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 5 the second coming of Jesus is discussed The signs of His coming are explained both in historical context when prophesied to the Jews of Jesus time and in relation to our own day The volume's organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary
