

The Second Greatest Commandment

The scribe didn't ask for the *second* greatest commandment, but Jesus knew it was so important that it couldn't be left unsaid.

The second is this: "Love your neighbor as yourself." There is no commandment greater than these. (Mark 12:31)

In fact, Matthew, the other gospel writer who tells of this event, notes how Jesus then said:

All the Law and Prophets hang on these two commandments.
(Matthew 22:40)

Second Greatest Commandment:

The Second Greatest Commandment William M. Fletcher,1983 **Jonah, John, and the Second Greatest (But Most Avoided) Commandment** Kevin Harvey,2010-02-04 For too long the body of Christ has been focused on too many things that quite simply havent been working The answer to a lasting true revival in todays world isnt going to come from a continued focus on what we can and cannot do which denomination has the most biblical theology or achieving victories in social issues such as definition of family and the right to life Instead what our attention should be fixed upon is that the Son of God said the second greatest commandment weve been given is to love our neighbors as ourselves In this book Kevin Harvey has taken a biblical approach to help the body of believers define just who their neighbor is and what it means to truly love them as Jesus intended If the body of Christ began to focus daily on following that one simple idea then maybejust maybe the world would finally begin viewing the church as the salt of the earth and light of the world that Jesus had in mind

Loving Your Neighbor; A Practical Guide to Keeping the Second Great Commandment Rev. Dave Boston,2023-05-22 Loving Your Neighbor A Practical Guide to Keeping the Second Great Commandment explores what God actually means by the word love Often in our culture we use the word love to mean like very very much as in I love pizza But then there are Bible verses that command us to love our enemies clearly the Lord cannot be asking us to like them very much This book looks first at the heart of love as evidenced by God and others From these scriptural records we can see that spiritual love really means a selfless caring for the other When we love we must start with a motivation that focuses solely on the well being of the other and not on any benefits to self Next as this is a practical guide this book examines pictures of love words that give the reader a picture of how this love might actually practically work in our lives Often these biblical words have both a physical and a figurative usage The physical usage gives us the picture and the figurative usage shows us how to practically apply this in loving our neighbor Finally the author shows that God has given us tools in the Bible to help us get better at loving our neighbor God gave us the commandment but then He was loving enough to help us love and to help us grow in loving our neighbors **God Greatest Commandment** Andrew Oghena,2023-09-05 About the Book God Greatest Commandment A Guide discusses in detail the two greatest commandments given by our Lord and Savior Jesus Christ that will enable all humans to live a godly life during their earthly pilgrimages The book s objective is to provide steps on how to love God with all your heart soul and mind and love your neighbor as yourself as well as to outline rewards that you will receive by loving God and neighbor Readers of this book will be reminded that we are all one that we all came from one God just like the billions of rays of sunlight all come from one source the sun Since all humanity is from God the Father we should endeavor to love our Creator and also love all created people If we all love each other then our communities our countries and our world will be better places to live without war but with peace and harmony About the Author Andrew Oghena is a happily married family man with two kids He loves family time and sharing stories together whether it s during meals road

trips or long walks He was born and brought up as a Christian in the Roman Catholic faith and is a member of both the Blue Army a Catholic society that promotes the message of Our Lady of Fatima and the Knights of Columbus a society that promotes family and defends the Christian faith He has a PhD degree in petroleum engineering and has traveled to multiple countries on international assignments and worked on several teams with colleagues of multiple nationalities In his profession he sees himself as a citizen of the world and sees the world as a global village After viewing himself and the world this way for twenty five years he has come to realize the Gospel Truth that Our Lord Jesus Christ said in the Bible 2000 years ago Andrew Ogghena knows that all humanity needs to hear this priceless message and most importantly apply it to their daily lives to make the world a better place for all **The Two Great Commandments in Economics** James E. Mills,1898

The Second Gospel of Fred Fred Wurlitzer, MD FACS MBA,2022-08-01 Dr Wurlitzer MD FACS has written religious poetry that he calls doggerel in the style of Ogden Nash He addresses many controversial topics in Christianity today that challenge modern minds Arcane and unusual topics such as the multiverse God thinking in eleven dimensions and itinerant Jesus redemption for early hominids euthanasia the virgin birth abortion what is the soul and evolution were discussed in the first book Gospel of Fred from the standpoint of believing in Jesus Evidence was given for a Great Flood destruction of Sodom and Gomorrah and Jonah being swallowed by a gig fish Even the most unusual biblical event often has a factual basis recently uncovered As in his first gospel a variety of subjects are addressed in this The Second Gospel of Fred Most topics are also controversial including a parachuting Jesus in the Sagrada Familia Cathedral in Barcelona the flight of starlings reminding one of the flights of souls the Alabama abortion ban separation of church and state Planned Parenthood aliens failures apparitions resurrections a female Anglican Archbishop enjoying Dom Perignon champagne the opioid crisis a EUR and a multitude of other topics No subject is avoided because of it being too controversial Jesus can give us insight into understanding almost any subject The New Testament can be as relevant today to thinking Christians as it was two millennia ago Dr Wurlitzer attempts to prove just that *The Second Commandment* Joey R. Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity **The Greatest Commandments & the Way** Victor

A. Atkisson, 2016-10-20 This book endeavors to establish the importance of love as the distinguishing characteristic of the disciples of Christ. It also seeks to establish the prophetic witness of the Scriptures to the divinity and Lordship of Jesus Christ. Also contained in the book is an essay on the subject of Christian unity in which the author sets forth the biblical basis of Christian unity.

The Second Golden Rule Wendell Calvin Hatch, 2012-08-28 Almost everyone has heard of the Golden Rule. Nearly everyone can quote it reasonably well. However, there are significant pieces of inspiring information sent directly from our Savior Jesus Christ still waiting to be uncovered with his words. Thus, the review of the Golden Rule is an appropriate place to begin our scriptural chase of discovery. The second subject discussed is truth. We are each deeply immersed in our own search for truth. Identifying truth and then applying it in our lives are two essential ingredients in our efforts to find happiness and purpose for our daily experiences. The third chapter presents discovery of the second Golden Rule. Here we encounter an unusual principle and its direct connection within the Gospel of Jesus Christ. The remaining chapters explore several practical applications of the second Golden Rule. Jesus used parables to illustrate gospel principles. I have peppered within these pages several of my own stories with the intent that they might serve a similar purpose, including the Picture Puzzle Principle and the Parable of the Lifeboat. The Lincoln Log Lesson and my story of Spies and Triangulation. This project has haunted my waking moments for over seven years. My purpose is to share my own witness of Jesus Christ. It is my hope that these stories may bless your life and bring joy knowing that one more soul has been saved.

Our Only Comfort Stephen C. Shaffer, 2021-04-20 In a fast-paced world full of distractions, how do we create space to have conversations about faith? Parents long to talk about Jesus with their children but are unsure where to begin. Families want to slow down and reconnect with what matters most but struggle to squeeze anything into already busy schedules. Teens and adults desire to go deeper in their faith but are filled with unanswered questions. In *Our Only Comfort*, Rev. Stephen Shaffer provides individuals and families with a helpful structure for growing in Christian faith. In a series of 364 daily devotions, *Our Only Comfort* will take families, young adults, and new believers through the core teachings of the Christian faith through the lens of the Heidelberg Catechism. Wrestling through questions like Who is Jesus? How do I pray? and What does it mean to keep the Ten Commandments? these short devotions create opportunity for conversations about faith between parents and children and provide nourishment for faith to grow.

Ramachandran,2021-01-07 This Book is written to highlight some First Christian Perspectives regarding Almsgiving and Atonement We do not believe that Almsgiving can remove sins as only the Blood of Christ can do that making us New in the Resurrection where we taste the powers of the age to come now by His Mercy We do believe that Almsgiving does remove some Judgment of sins Regardless of how Scriptural one might argue we all point to men of God which history sets before us as the founding persons of certain theology or exegesis So if God used John Calvin as almost all protestants will agree and John Calvin in turn points to St Augustine then if St Augustine contemplated these same doctrinal points to some extent and is not a heretic so we contemplating on these possibilities likewise to even a deeper extent without concluding anything must likewise be not deemed as false teachers right If this Book causes your faith in Christ to stumble in any way we encourage you to stop reading but if it increases solidifies or increases your faith in Lord Jesus Christ we exhort you to continue reading it in any way that may be beneficial as you may seek our Most Blessed Saviour and Pray for His Leading in this accordingly Thank you for reading it Peace to you **The Person and Work of Christ Jesus Through Hebrew and Aramaic**
