A Slander Frost Darkness and A Dead Body Many of Chekhov's stories involve the harsh realities of humanity Chekhov practiced as a doctor throughout most of his literary career Medicine is my lawful wife he once said and literature is my mistress **The Horse-stealers and Other Stories** Anton Pavlovich Chekhov,1921 **A Goat Tale and Other Stories Heard Around the Supper Table** Glenda Price,2009-04-07 Glenda Price has been presenting a slightly off center view of country living in her Heard Around the Supper Table columns each week in various publications the past eight years This is her first collection of selected columns illustrated by Cowboy Cartoonist of the Year A 10 Etcheverry who also has a slightly off center view of country life **The celibates, Bachelor's establishment, and other stories** Honoré de Balzac,1899

**The Magic Horse and Other Stories from the Arabian Nights** Laurence Housman,1911 **Hard Times (And Other Stories)** Charles Dickens,2014-02-26 When Hard Times appeared as a serial in Household Words in 1854 Dickens was about midway in his literary career In the same year this novel appeared in an octavo volume with a dedication to Thomas Carlyle Its purpose according to Dickens himself was to satirize those who see figures and averages and nothing else the representatives of the wickedest and most enormous vice of this time the men who through long years to come will do more to damage the really useful facts of Political Economy than I could do if I tried in my whole life The satire however like much that Dickens attempted in the same vein was not very bitter The characters in Hard Times are not numerous and the plot itself is less intricate than others by the same author The chief figures are Mr Thomas Gradgrind a man of realities with his unbounded faith in statistics Louisa his eldest daughter and Josiah Bounderby as practical as Mr Gradgrind but less kind hearted Louisa though many years younger than Mr Bounderby is persuaded by her father to marry him She is also influenced in making this marriage by her desire to smooth the path of her brother Tom a clerk in Mr Bounderby's office Though not happy she resists the blandishments of James Harthouse a professed friend of her husband's To escape him she has to go home to her father and this leads to a permanent estrangement between husband and wife In the mean time Tom Gradgrind has stolen money from Bounderby and to avoid punishment runs away from England *Halcyon and Asphodel, and other stories*, by A.L.H.A. **Eugénie Grandet. Ursule Mirouët, and other stories** Honoré de Balzac,1901 *Chelkash and Other Stories* Maksim Gorky,2020-09-28 This happened in 1892 a famine year at a point between Sukhum and Ochamchira on the shore of the Kodor River so near the sea that through the gay babble of the clear waters of the mountain stream the muffled thunder of the billows was distinctly heard It was an autumn day Yellow cherry laurel leaves were circling and glistening in the white foam of the Kodor like nimble salmon fry I was sitting on some rocks near the bank and reflecting that the sea gulls and cormorants too must be mistaking the leaves for fish and that was why their cries were so fretful over there to the right behind the trees where the sea was rumbling The chestnut trees overhead were decked out in gold at my feet lay piles of leaves which looked like the palms of hands that had been cut off On the opposite bank the hornbeam boughs were already

bare and hung in the air like a torn net caught in it as it were a red and yellow mountain woodpecker hopped along tapping the bark with his black beak while adroit titmice and dove colored nuthatches visitors from the distant north pecked the insects he drove out To the left above the mountain peaks hung smoky heavy rain laden clouds they cast shadows over the green slopes dotted with boxwood the dead tree Here in the hollows of old beeches and lindens is found that heady honey the intoxicating sweetness of which nearly caused the downfall of the soldiers of Pompey the Great long ago having overcome a whole legion of iron Romans The bees make it from laurel and azalea blossoms and tramps get it out of the hollows and eat it spreading it on what the natives called lavash a thin flat cake made of wheat flour That is exactly what I was doing as I sat under the chestnut trees Stung all over by angry bees I was dipping pieces of bread into a kettle full of honey and eating while I admired the lazy play of the weary autumnal sun *The Horse in My Garage and Other Stories* Patrick

McManus,2013-10-01 A collection of short and not so short stories from humorist Patrick F *The Horse-Stealers and Other Stories* Антон Чехов,2021-03-16 *Suncranes and Other Stories* ,2021-07-06
