Second Letter Of Paul To The Corinthians:

First and Second Letters of Paul to the Corinthians Margaret E. Thrall, 1965-01-02 This is a series of commentaries on the New English Bible designed for use in schools and training colleges and for the layman It replaces the old Cambridge Bible for Schools Each volume will comment on one book or two or three short books of the Bible beginning with the New Testament already published In each the text will be given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references but the commentary does convey the latest and best scholarship The general editors all have experience of teaching or examining in schools and working with adults It is hoped to have the series complete in a few years There will also be a general introductory volume Understanding the New

Testament and a volume of maps and plates The New Testament Illustrated **The Second Letter to the Corinthians** Mark A. Seifrid, 2014-11-09 The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13 5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul s message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul s message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God s saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid s commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application **Power in Weakness** Sze-kar Wan, 2000-06-01 Paul stresses that

authentic Christian ministry is characterized by weakness and suffering specifically the weakness and paradigmatic sufferings endured by the crucified Jesus **The Second Epistle of Paul to the Corinthians** Colin G. Kruse, 1987 Kruse s work on 2 Corinthians is part of the Tyndale Bible Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities

The Second Epistle of Paul to the Corinthians Charles Rosenbury Erdman, 1929 A brief commentary by one of the foremost Evangelical Biblical scholars of his time **The Second and Third Epistles of St. Paul to the Corinthians** James Houghton Kennedy, 1900 **Biblical Commentary on St. Paul's First and Second Epistles to the Corinthians** Hermann Olshausen, 1851 **The People's New Testament Commentary** M. Eugene Boring, Fred B. Craddock, 2004-01-01 Biblical scholars Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text **Paul's Faith and the Power of the Gospel** Daniel Patte, 2016-09-02 Daniel Patte here offers a fresh literary critical introduction to the dominant literature of the New Testament the major letters of the apostle Paul

Romans 1 and 2 Corinthians Galatians Philippians 1 Thessalonians and Philemon Patte invites the reader to explore these letters through several readings an historical reading in which he reviews and critiques the results of traditional interpretations and structural readings in which he elucidates the main characteristics of Paul s faith and discerns a system of convictions that supports Paul s theology and gives it coherence Through this novel literary approach Professor Patte leads the reader of these letters to a better understanding of the power of the Gospel the relation of the Gospel to Judaism and Paul s interpersonal view of faith Here is an invitation to rediscover Paul s faith in all its richness The Second Letter of Paul to the Corinthians James A. Thompson, Jr.,James Weldon Thompson,1970-03 **The Theology of the Second Letter to the Corinthians** Jerome Murphy-O'Connor,1991-05-31 The resonances in the dialogue of Paul s Second Letter to the Corinthians are difficult to detect unless the reader has some knowledge of the social religious and economic situation of the community to which the apostle was writing In this lucid and clear survey Father Murphy O Connor attempts to provide such background information which he integrates skillfully into a flowing exposition of Paul s thought St Paul s theology thus comes to life as the complex interplay of factors that prompted him to write as he did to the Corinthians are examined and explored In addition to providing a particularly accessible picture of the distinctive theological contribution made by 2 Corinthians the author s book prompts new insights into the relation of Christ to the ministry of the Church The Corinthian Letters of Paul G. Campbell Morgan,2010-04-01 Known as the Prince of Expositors G Campbell Morgan is at his best in this exposition of Paul s letters to the Corinthians He makes these letters as timely and as applicable today as they were when written centuries ago His lucid style and detailed interpretation illuminate the whole text so that the Epistles become as fascinating to the lay reader as to the minister and Bible student In this volume Dr Morgan s sturdy faith stands out like a beacon and his instinctive insight and close scrutiny bring out all the force of Christianity s greatest apostle Here is a mine for preachers seeking new inspiration for their sermons and a handbook for Christian workers and laymen who wish to become better acquainted with the teachings of the Apostle Paul G Campbell Morgan is the author of more than seventy volumes each of which shows its readers why this scholar and preacher could move more people with sheer exposition than any of his contemporaries *Second Corinthians and Paul's Gospel of Human Mortality* Richard I. Deibert,2017-01-30 How does Paul s bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul s experience of death and his theology of death Back cover **The Second Epistle of the Apostle Paul to the Corinthians** Allan Menzies,1912 **The life and letters of Paul the apostle** Lyman Abbott,1899 **The first and second Epistles to the Corinthians, with notes, by M.F. Sadler** Paul (st.),1889 **Paul in the Greco-Roman World** J. Paul Sampley,2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman culture shed light on Paul s letters and on his readers possible perceptions of them *The Theology of the First Letter to the Corinthians*

Victor Paul Furnish,1999-06-13 This study shows that the common view of 1 Corinthians as mainly about ethics and therefore of little importance for theology needs correcting Furnish argues that 1 Corinthians is an even better place to take the apostle's theological pulse than the allegedly more theological letters to the Galatians and Romans because here it is especially evident how his thinking about the gospel took place within the crucible of his missionary and pastoral labours Paul's complex theological legacy is not a systematic theology or even the basis for constructing a theological system However we come close to the heart of Paul's legacy in his clear sighted identification of the gospel with the saving power of God's love as disclosed in Christ and his insistence that those who are called to belong to Christ are thereby summoned to be agents of God's love wherever in the world they have received that call [Holman Illustrated Bible Dictionary](#) Chad Brand,Eric Mitchell,Holman Reference Editorial Staff,2015-11 For 25 years the Holman Illustrated Bible Dictionary has been the go to Bible reference resource for lay Bible students teachers pastors academic courses and libraries Now this bestselling dictionary has been UPDATED with 200 new articles and over 500 new photos compiling a collection of over 6 500 articles from Aaron to Zuzite are written so as to equip the reader for greater competence in understanding and interpreting the Scriptures TAn excellent companion to the Holman Illustrated Bible Commentary **Liturgy and Life Study Bible** Paul Turner,John W.
