Discipline in the Secondary Classroom Randall S. Sprick, 2013-03-05 A teacher's success throughout the school year is largely determined by the events of the first few weeks of school. He also provides scores of helpful tips gathered from successful classroom teachers or gleaned from the latest educational research. *Discipline in the Secondary Classroom* is a treasure trove of practical advice, tips, checklists, reproducibles, posters, and ready-to-use activities that will save teachers time and help them become more effective educators. This is done by integrating into the research discussions case studies of four practising teachers. The research discussions comprise approximately two-thirds of most chapters, and the case studies one-third.
