Department of Education, 1889      *Read, Write, Inquire* Hiller A. Spires, Shea N. Kerkhoff, Casey Medlock Paul, 2019-12 In this practical guide literacy experts show teachers how to use project based inquiry to build students discipline specific skills and knowledge in grades 6-12. The authors present a five phase framework that incorporates their professional development experience working with over 3,000 teachers. By making the intuitive practices of the disciplines explicit within an inquiry process students have opportunities to construct new knowledge by employing practices used by literary critics, scientists, historians, and mathematicians. *Read Write Inquire* responds to the current focus on disciplinary literacy across multiple sets of standards offering a clear blueprint to help teachers meet these standards while also providing students with deep learning across the curriculum. This unique approach encourages students to adopt sophisticated literacy practices in the same way the disciplines developed them as a natural outgrowth of knowledge creation.
