Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women's clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children's toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of

Gonzales,2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so The Wide Divide is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach It covers the panorama of early Mormon history with a comprehensive analysis of its doctrine The major premise of the book is Are Mormons Christian If you are a Mormon it is very critical that you answer this question correctly before you meet Jesus in eternity Please do so

American Massacre Sally Denton,2007-12-18 In September 1857 a wagon train passing through Utah laden with gold was attacked Approximately 140 people were slaughtered only 17 children under the age of eight were spared This incident in an open field called Mountain Meadows has ever since been the focus of passionate debate Is it possible that official Mormon dignitaries were responsible for the massacre In her riveting book Sally Denton makes a fiercely convincing argument that they were The author herself of Mormon descent first traces the extraordinary emergence of the Mormons and the little known nineteenth century intrigues and tensions between their leaders and the U S government fueled by the Mormons zealotry and exclusionary practices We see how by 1857 they were unique as a religious group in ruling an entire American territory Utah and commanding their own exclusive government and army Denton makes clear that in the immediate aftermath of the massacre the church began placing the blame on a discredited Mormon John D Lee and on various Native Americans She cites contemporaneous records and newly discovered documents to support her argument that in fact the Mormon leader Brigham Young bore significant responsibility that Young impelled by the church s financial crises facing increasingly intense scrutiny and condemnation by the federal government incited the crime by both word and deed Finally Denton explains how the rapidly expanding and enormously rich Mormon church of today still struggles to absolve itself of responsibility for what may well be an act of religious fanaticism unparalleled in the annals of American history American Massacre is totally absorbing in its narrative as it brings to life a tragic moment in our history *The Mormon Mirage* Latayne C. Scott,2010-08-03 In the first edition of The Mormon Mirage Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings The Mormon Mirage provides fascinating carefully documented insights into DNA research s withering implications for the Book of Mormon the impact of new revelations on Latter day Saint LDS race relations new findings about Mormon history increasing publicity about LDS splinter groups particularly polygamous ones recent disavowals of long held doctrines by church leadership the rise of Mormon apologetics on the Internet More than a
