## **Secret Everyone Knows:**

**Perversion and the Art of Persecution** Sean Noah Walsh, 2012-03-08 In this critical work on the political thought of Leo Strauss Sean Noah Walsh addresses Leo Strauss's claims about esotericism in the philosophic texts of Plato. He challenges Strauss's understanding of esoteric writing as an attempt by Plato to secretly encode the highest truths exclusively between the lines in order to avoid persecution. Indeed, through the character of Socrates, the speaker with whom Plato is inextricably associated, Walsh asserts that Plato's exoteric writings were sufficiently incendiary and provocative to demonstrate that a fear of persecution was not his highest priority. The politics that follow from Strauss's thought depend on the interpretation of these Platonic philosophical bases and by analyzing how the problem of fear has been confronted in the works of Plato and Leo Strauss, Walsh offers a direct and thorough account of the politics that emerge from Strauss's esoteric reading of political philosophy. Applying Lacanian psychoanalysis, Walsh investigates the discourse of Straussian esotericism and examines Plato's writing for examples of exoteric risk, subjecting both Plato and Strauss's writings to Lacan's psychoanalytic technique for interpreting the function of desire in discourse. Given the continuing influence of Strauss's ideas on contemporary politics, particularly within American foreign policy, Walsh's examination of this Straussian esotericism for these effects will prove an interesting read for political theorists, international relations scholars, and philosophers alike.

**Wildfire** Hannah Grace, 2023-10-03 From the bestselling author of *Icebreaker*, When Russ and Aurora cross paths at a university party, a drinking game ends with them spending the night together. The next day, Aurora slips away before Russ learns her full name. This anonymity ends when they both turn up to their first day of work as camp counsellors. A job they had both chosen to escape Maple Hills for the summer. Given their history, there's still an obvious tension between the two, but the camp has a strict no staff fraternizing rule. Russ doesn't want to risk heading home early, but Aurora has never been one for rules. As things heat up, they'll have to resist or risk starting something they just can't stop. Not suitable for younger readers.

**Break the Rules** Roxie Noir, She's my best friend's kid sister. Now she's not a kid any more. As a forest ranger, I believe in the simple life. I prefer cabins to apartments, trails over freeways, and trees to people. My life is orderly, predictable, and quiet. Until it's hit by a woman I never saw coming. Hurricane June. She's fierce. She's feisty. She has a laugh like the first day of spring, and she's so pretty that I can't breathe when I look at her. June will only be in town for a few months, just while job hunting. She won't last until winter, but how can I resist? Except I have to. She's my best, oldest, and most loyal friend's baby sister. Betraying him would be the worst thing I've ever done. Not betraying him might be the hardest. Especially once we start working together on a secret project. All this spending time together, sneaking around at night, and lying to her brother about what we're doing, sure feels like more than friendship. June might break my heart. Her brother might break my nose. But I guess some things were made to be broken. *Break the Rules* is the third book in the *Loveless Brothers* series and can be read as a total standalone. It's for fans of high heat, low angst romantic comedies and anyone who's ever had a crush on their

brother's best friend This one's got all the sibling banter you love meddling brothers a mountain man who's quiet in the streets and anything but in the sheets tons of steam and all the small town charm you can handle Of course it's also got an HEA And yes it bangs This series is for fans of Elsie Silver Claire Kingsley Lucy Score Kate Canterbury and Pippa Grant

*The Chairman's Challenge* Mark M. Quinn, 2010-11-02 Machine politics is a tough business filled with people who put far more value on power and money than on honor friendship or the lives of those who challenge them Atop this maelstrom sits Chairman Eamon DeValera Collins formerly the undisputed boss of the Irish Catholic Fifteenth Ward and now the man who controls the entire city In this position he finds himself surrounded by opportunists amateurs criminals thieves and cold blooded killers Those he can trust are few and far between and they are far outnumbered those who would attempt to use their connection to him to eliminate their enemies and line their own pockets While only one former ally is sufficiently tougher crazy enough to directly challenge his leadership the Chairman will stop at nothing to put down any challenger In *The Chairmans Challenge* the sequel to *The Chairman* A Novel of Big City Politics award winning writer Mark M Quinn takes the reader on a sometimes dark but always thought provoking tour of the ins and outs of a political machine Its a brutal examination of the minds of men and women who will sacrifice anything or anyone for a chance at power **Ghost Town a**
