*The Secret Fidel Castro* Servando Gonzalez, 2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro The book was written following what intelligence services call a CPP short for Comprehensive Personality Profile similar to the ones intelligence services keep on foreign leaders It focuses on different aspects of Castro's actions and personality which for some reasons have been either ignored misunderstood or misrepresented The main thesis of this book is that there are many different Castros The most widely known is the symbolic public one as it has been portrayed in official Cuban propaganda Castro friendly biographies and mainstream American media But there are also many secret Castros highly different from the public one The Secret Fidel Castro focuses on little known aspects of Castro's personality important in the better understanding of the man and his actions what really makes him tick Castro's Secrets Brian Latell, 2012-04-24 A conclusive ground breaking portrait based on firsthand sources of how the Cuban strongman ran circles around the CIA Daily Beast In Castro's Secrets intelligence analyst and Cuba expert Brian Latell offers an unprecedented view of Fidel Castro in his role as Cuba's supreme spymaster Based on interviews with high level defectors from Cuba's intelligence and security services including some who have never spoken on record before Latell reveals long buried secrets of Fidel's nearly 50 year reign While the CIA grossly underestimated his capabilities Castro built one of the best and most aggressive intelligence systems in the world Their sophisticated network ran moles and double agents who penetrated the highest levels of American Institutions They also carried out numerous assassinations some against foreign leaders Latell also sheds new light on the CIA's deplorable plots against Cuba including previously obscure schemes to assassinate Castro and presents shocking new conclusions about what Fidel actually knew of Lee Harvey Oswald prior to the assassination of John F Kennedy *Secret Missions to Cuba* Robert M.
