## **Secret Love Life Of Ophelia:**

*The Secret Love Life of Ophelia* Steven Berkoff, 2014-07-31 Hamlet and Ophelia express the infinite variety of their passion in a work which takes the form of an epistolary play in verse Steven Berkoff's startlingly original drama charts the lovers story beneath the surface of Shakespeare's play With a muscularity of language tempered with tenderness Berkoff's play is shot through with images of courtly love sexual desire and intimations of future tragedy The chill of the ending perfectly offsets the preceding violent heat in what is another unique piece of work from the individual talent that is Steven Berkoff *The Secret Love Life of Ophelia* was first performed at the King's Head Theatre London on 25 June 2001 *The Afterlife of Ophelia* Deanne Williams, 2012-04-09 This collection of new essays is the first to explore the rich afterlife of one of Shakespeare's most recognizable characters With contributions from an international group of established and emerging scholars *The Afterlife of Ophelia* moves beyond the confines of existing scholarship and forges new lines of inquiry beyond Shakespeare studies ***Ophelia Through Time*** Carolina Sanabria, 2025-01-22 For centuries interest in Shakespeare's Hamlet has prioritised its brooding melancholy prince Yet over time the enigmatic Ophelia his tragic love interest has risen to prominence in painting film television and beyond focused especially on her madness and death conspicuously off stage in the drama itself Analysing her rebirth resurrection and ghostly afterlives in straight adaptations as well as narratives far removed from the Bard's play this study offers an innovative cross media analysis of Ophelia's evolving representation Tracing her journey from marginal character to symbol of increasing yet ambivalent transcultural importance it identifies a series of recurring tropes that re-write her female subjectivity in surprising and fascinating ways From page to stage and scene to screen Ophelia's voice is by turns amplified ventriloquised mediated and silenced reshaped by the delicate dialogue between text and image This book is a captivating exploration of one of Shakespeare's most evocative figures and her enduring impact on visual storytelling ***Steven Berkoff: One Act Plays*** Steven Berkoff, 2013-12-02 Steven Berkoff has been variously described as controversial thrilling electric and dynamic A Renaissance man of the theatre he is known equally for his writing directing and acting Collecting together nineteen one act plays this volume presents never before published material Abusive shocking and endlessly surprising these sharply written pieces showcase Berkoff's trademark controversy black humour and dramatic dialectics Themes that haunt much of his work are present his luxurious verbosity his counterpoint of crude street patter and elegiac proclamation sex wars class wars dislocation and abandonment of love in a thankless and unyielding world The selection of plays allows the performer and reader to experience Berkoff's fluid anarchic poetry at its most profane within the complete and pithy structure of the one act play Established plays such as *The Biblical Tales* which enjoyed success in their 2010 run at the New End Theatre Hampstead stand alongside previously unpublished material giving the range of Berkoff's work full expression from his established thematic concerns to his new and unseen work Perfect for student and amateur performances this volume contains a full introduction by Geoffrey Colman
