Secret Of Borges:

The Secret of Borges Julio Woscoboinik, Dora Carlisky Pozzi, 1998-10-29 The Secret of Borges approaches the complex labyrinthine writings of Jorge Luis Borges from a Freudian perspective The author searches for connections between the works of Borges by analyzing his writing and gathering information on his life from various sources including in depth interviews with those who worked as assistants for the blind writer This analysis examines in minute detail the writer's style and literary and rhetorical resources following Borges's path as he evolved from his narcissistic solipsism to the establishment of Oedipal links The author explores the track of fantasy associations the treatment of feminine characters in Borges's short stories the dreams and nightmares constantly retrieved and reiterated through his work memory and the challenges of self identification and the Borgean view of the problem of time

The Non-Philosophy of Gilles Deleuze Gregg Lambert, 2002-08-01 The Non Philosophy of Gilles Deleuze takes up Deleuze's most powerful argument on the task of contemporary philosophy in the West Deleuze argues that it is only through a creative engagement with the forms of non philosophy notably modern art literature and cinema that philosophy can hope to attain the conceptual resources to restore the broken links of perception language and emotion In short this is the only future for philosophy if it is to repair its fragile relationship to immanence to the world as it is A sequence of dazzling essays analyze Deleuze's investigations into the modern arts Particular attention is paid to Deleuze's exploration of Leibniz in relation to modern painting and of Borges to an understanding of the relationship between philosophy literature and language By illustrating Deleuze's own approach to the arts and to modern literature in particular the book demonstrates the critical significance of Deleuze's call for a future philosophy defined as an art of inventing concepts

ALEPH Mustafa Karnas, 2020-12-16 I keep telling myself Are you a crazy brother But I can't stop my feet are dragging me somewhere However the weather is not like rubbing the streets Like all other cities Istanbul has been crushing under the snow for a few days School holidays nobody wants to take to the streets I suddenly find myself in Beyazıt Square Ich wei nicht warum ich hier bin The snow continues to nibble The streets have willingly surrendered to their own fate and the white blanket that rained on them A feeling a strange feeling that I cannot describe draws me towards Sultanahmet I try to walk regardless In the early evening some shadows try to take shelter somewhere in the silence in the streets that have collapsed On either side of Divanyolu Street the old Ottoman graves and tombs stand between different buildings in a strange light as if light had fallen on them We're here take a lesson every soul will taste death as spiritual as wanting to convey his message Does anyone take it I don't know I'm in Sultanahmet Square there is a strange spirituality again everywhere it seems to be

pregnant with very complicated things at night Blue mosque and the complex buildings around it under a magnificent yellow light Don t go by without seeing as if one had said I am impressed by the yellow light and how it looks I look in awe of the mosque and its surroundings The tram goes by Even the tram looks different to me I shoot at the tram as if I received a signal from Sultanahmet in the direction of Sirkeci Everywhere I walk there is a yellow light as if I were protecting myself in long shadows I m in Sirkeci and I m going towards the sea Why I m here I dont know Strong waves from the sea mix with the sound of the wind Car noises suddenly disappear Then I hear someone whistling from the steamer as if it were a signal There is a ferry at Adalar Pier in Sirkeci I don t know why I am drifting again The ferry is looking at me I am the ferry I am amazed how is it possible that there is a ferry when suddenly everything is on vacation and it is about to leave A few passengers get on the ferry My confusion is still not over I think maybe the steamer is going down Yeah what if it sinks My eyes fall on the waves hard hard waves Those waves are sinking this steamboat are they crazy would they be steamboats in such weather In my opinion I approach the steamer with curiosity and meet a man an old man who looks very old but looks very strong He looks deep into my eyes Suddenly I hear a voice in my head You will now get your ticket the ferry is departing That voice says I obey what the voice says While I was about to buy a ticket I thought about whether I heard that voice this man said these things or whether I was getting out of my daydreams and caught up in one of my dreams
