The Secret to Spiritual Strength Bill Vincent, 2023-04-28 The thing God kept speaking to me today was how many And how often might we have robbed ourselves of a blessing How many times and how often do you think it takes place that you tie down hands or rob yourself of a blessing Because sometimes we ll react rashly or so negatively about a situation instead of responding in the way God wants us to respond And I believe we have blown our blessings I believe some of this we started talking about last week but God s saying he wanted me to talk about this part this week where we need to understand that sometimes it s not the devil Sometimes it s not it s not somebody else But it s we have robbed ourselves of a blessing You say oh God doesn t work that way You got anybody here ever have a father everybody has a father a dad anybody here has a mother Everybody has a mother even no matter what And I m telling you when we look at this let s say for an example we have two girls both the same mother and let s say this one cleans a room This one gets all the things are taken care of she s supposed to do And this one does not There are certain benefits this one s gonna get Because this one has done and has been obedient to do what they re supposed to do The one that was disobedient and said I don t want to do it right now I don t care I don t want to clean my room it is too messy They don t receive the blessings because of obedience they believe they receive a blessing for their disobedience And what that means is they re going to get something because of their obedience And they re not because of their disobedience So the way God looks at us is the same way whenever he tells us to do something and we don t respond the way we re supposed to But it actually can rob us And just so you know not every time does God necessarily say Joshua you re supposed to write those things down and study them through because I m just trying to speak to you doesn t necessarily mean that you have to be obedient by something that God said to you Sometimes it s about God put laying something on your heart I went through a season of being robbed by the Spirit because God told me to give somebody 20 So when I finally caught up and I realized I shouldn t give them 20 I gave them 40 Because I figured I had some interest to make up Sometimes we get to the place **Who am I?**

Bernd Wannenwetsch, 2011-11-03 It has often been noted that poetry is a particularly suitable medium when it comes to understanding the connection between theology and biography Needless to say that this is particularly exciting in the case of Dietrich Bonhoeffer and the poems he wrote during his imprisonment by the Nazis Although any one of his ten poems should

be read within their respective historical and biographical context they are also rounded self sufficient pieces of work that cannot be explained by the biographical and theological prose that surrounds them They rather serve as a sort of creative and perhaps sometimes even critical interlocutor to these contexts This is why the contributors to this volume have not been asked to explain the poems but to facilitate this conversation the conversation between the reader and the poems between the individual poems as well as between the poems and Bonhoeffer s life and his theology These poems lend themselves ideally as an entry point into Bonhoeffer s theology in that each one of them resonates with a particular central theological concept that Bonhoeffer was developing in his prison years Themes and concepts such as friendship religion identity freedom representative action and others are not only represented in these poems but often expressed in the dense and compelling fashion that only poetic language affords As such they deserve the thorough and imaginative engagement of the international line up of first class theological authors gathered in this book

Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe s leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture
