## Secret Place:

**The Secret Place** Shelilah Peters, 2016-06-20 This romantic story is about Leah and Nick who meet on a beach in Hawaii when Nick is eleven and Leah is eight Leah is a descendent of Hawaiian royalty and a dead shipping business Nick comes from a long line of doctors and his parents expect him to become a trauma surgeon Every summer Nick returns to his summer home with his parents and spends the summers with Leah surfing hiking fishing and frolicking on the beach They are young innocent and carefree They meet at their special spot they call the Secret Place dreaming of the future sharing their deepest thoughts and aspirations As the years pass they form a close relationship that will challenge their love for each other At eighteen Nick leaves for medical school and Leah pursues her career in art On the fortieth anniversary of his parents Nick returns to his summer home having completed medical school He and Leah reconnect after five years and fall deeply in love But as fate would have it circumstances stop them from being together and they go their separate ways Nick is conflicted with his pursuit of becoming a doctor and his love for Leah Leah is caught in a predicament she cannot run from Find out how they reach each other again and reconnect despite the twists and turns of life *The Secret Place* John Chipley, 2011-03 So at about the age of twelve when most boys do what they are told NOT to do B J went into the woods From that day on his life was never the same This is more than just another book This is our son s secret journal that we found years after well years after he disappeared These are his words This is his story The following was written on the first page of his journal As I start my story I cannot tell you my name or where I live or anything that might disclose who I am I can however tell you one thing when I was a baby my grandpa called me B J When our son was growing up none of the children were allowed to go into the woods behind our house Two boys disappeared in the woods over ten years ago and were never found not a trace I think this is why B J had to go into the woods He had to see for myself what was there What he found was another world It was a world that he writes about in his journal He writes about an old lady called Mowmow He writes about his best friends LaCharles and Lizzy He writes about a pond that is deep in the woods and what he discovered on the other side of the pond He writes about love fear death and God I left the pages of this book basically untouched so you will find some misspelled words and incorrect grammar However I didn t want to change one word of what B J wrote Every word is a clue as to what happened to him or where he might be When you finish reading his journal entries maybe you will understand Maybe you can help us find B J The sketches in this book have been redrawn However the original sketches made by B J are in the cold case file in the basement of the Charlotte North Carolina courthouse *The Secret Place* Dorcas Willis, 2011-03-07 It was as though I had been raised in a family of royalty I thought horror stories were only written in books they were not about real people My world was a wonderful happy place After being raised in a small river town it sounded exciting to take a congregation in a big city After all this was what we were supposed to do Little did I realize the calamity that was ahead Then once I was in the fog of heartbreak it was like being in a burning house with no way of escape But God

had a plan Quoting from the Holy Bible Out of the bitter came forth sweet My survival was by staying hid In the Secret Place

**The Secret Place of the Most High** Quentin Oden,2022-03-24 The Secret Place of the Most High seeks to promote the fact that the God of the Bible is still ruling and intervening personally in the lives of diligent seekers Several compelling testimonies orchestrated by the Lord and supported by sound biblical principles are provided to encourage believers to trust God in the realm of the miraculous The supernatural ministry of the Holy Ghost and voice of God are still relevant forces even in the face of our high tech world There is a fellowship with God through Jesus Christ and empowered by the Holy Ghost that gives access to the secret things Deut 29 29 of God The words of Amos 3 7 are still true Surely the Lord God will do nothing but He revealeth His secret to his servants the prophets This book documents that God consistently keeps His promises and provides specific instructions to the believer in the same way that He did in the Bible God peels back the veil and exposes His plans and purposes beyond our logic and above our reasoning And it is God who conspires these episodes for His glory and to enable our faith Living in this reality is solely under the sovereignty and invitation of God However Moses as the writer of Psalm 91 asked to see God s glory Exodus 33 18 and God allowed Moses unique access The Secret Place of the Most High provides compelling evidence that God is still willing to expose His glory
