Secret Ecstasy:

Physicians of the Heart Wali Ali Meyer, Bilal Hyde, 2012-07-15 This book takes the reader into the heart of the mystery of the 99 sacred Names of Allah. It is a vehicle for understanding the infinite nature of God and for discovering the divine potential in every soul. It is also a comprehensive guidebook for progressing through the stages of the spiritual path and an instruction manual for teachers on how to work with students more wisely as physicians of the heart. In the process of this voyage to discovery, the reader is systematically exposed to the universal mysticism encoded in the Qur'an and in the classical Sufi traditions as well as to a modern psychological approach that works with the 99 Names to achieve individuation and wholeness. This astounding book is a nothing less than a mystical road map into the reality of the Only Being to the One from whence all the 99 beautiful names of Allah spring and to which they all point. The collaboration of these scholars and practitioners has yielded a truly profound work of deep spiritual value and psychological insight which should continue to serve the entire community of the Jerusalem Trilogy: Jews, Christians, and Muslims for generations to come. Rabbi Zalman Schachter-Shalomi, founder of the Jewish Renewal Movement. What's in a name? This book has the answer. Shining light on the semantic, psychological, and spiritual dimensions of the Quranic Names of God, the authors show how the Names are much more than theological abstractions. They are words of power, sovereign remedies for the ailing human heart. Pir Zia Inayat Khan, PhD, president of the Sufi Order International and founder of the Suluk Academy and Seven Pillars House of Wisdom. The Source of Love promises humanity. Call on me in longing and love through intoning My Most Beautiful Names, and I will answer your call far beyond your imagination. O seeker, enter the mystical kingdom of the Divine Energies called the Most Beautiful Names of Allah by plunging into this remarkable sourcebook which elucidates the ancient practice of contemplation and chanting of the Names of God, the swiftest path to union. The authors of the book have brought a great gift to the West in their extraordinary and monumental work which elucidates a new field of wisdom in the West. Use this book as a guide on your journey.
