Secret of the Woods by William J William Joseph Long This little book is but another chapter in the shy wild life of the fields and woods of which Ways of Wood Folk and Wilderness Ways were the beginning It is given gladly in answer to the call for more from those who have read the previous volumes and whose letters are full of the spirit of kindness and appreciation Many questions have come of late with these same letters chief of which is this How shall one discover such things for himself how shall we too read the secrets of the Wood Folk There is no space here to answer to describe the long training even if one could explain perfectly what is more or less unconscious I would only suggest that perhaps the real reason why we see so little in the woods is the way we go through them talking laughing rustling smashing twigs disturbing the peace of the solitudes by what must seem strange and uncouth noises to the little wild creatures They on the other hand slip with noiseless feet through their native coverts shy silent listening more concerned to hear than to be heard loving the silence hating noise and fearing it as they fear and hate their natural enemies We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Long, 2015-06-22 We would not feel comfortable if a big barbarian came into our quiet home broke the door down whacked his war club on the furniture and whooped his battle yell We could hardly be natural under the circumstances Our true dispositions would hide themselves We might even vacate the house bodily Just so Wood Folk Only as you copy their ways can you expect to share their life and their secrets **The White People and Other**

**Weird Stories** Arthur Machen, 2017-01-26 Machen's weird tales of the creepy and fantastic finally come to Penguin Classics With an introduction from S T Joshi editor of American Supernatural Tales *The White People and Other Weird Stories* is the perfect introduction to the father of weird fiction The title story *The White People* is an exercise in the bizarre leaving the reader disoriented and on edge From the first page Machen turns even fundamental truths upside down as his character Ambrose explains there have been those who have sounded the very depths of sin who all their lives have never done an ill deed setting the stage for a tale entirely without logic **The House of Souls** Arthur Machen, 2015-10-22 Edward Darnell awoke from a dream of an ancient wood and of a clear well rising into grey film and vapour beneath a misty glimmering heat and as his eyes opened he saw the sunlight bright in the room sparkling on the varnish of the new furniture He turned and found his wife's place vacant and with some confusion and wonder of the dream still lingering in his mind he rose also and began hurriedly to set about his dressing for he had overslept a little and the bus passed the corner at 9 15 He was a tall thin man dark haired and dark eyed and in spite of the routine of the City the counting of coupons and all the mechanical drudgery that had lasted for ten years there still remained about him the curious hint of a wild grace as if he had been born a creature of the antique wood and had seen the fountain rising from the green moss and the grey rocks The breakfast was laid in the room on the ground floor the back room with the French windows looking on the garden and before he sat down to his fried bacon he kissed his wife seriously and dutifully She had brown hair and brown eyes and though her lovely face was grave and quiet one would have said that she might have awaited her husband under the old trees and bathed in the pool hollowed out of the rocks *The White People* Arthur Machen, 2021-05-28 *The White People* 1904 is a short story by Arthur Machen Originally published in *Horlick's Magazine* the story was later printed in *The House of Souls* 1906 a short story collection Condemned as decadent and obscene upon publication Machen's writing earned praise from Oscar Wilde and H P Lovecraft Throughout the years Machen's work has been referenced and adapted by such figures as Stephen King Guillermo del Toro and Josh Malerman for its masterfully unsettling blend of science myth and magic As the sun sets over the lush countryside Cotgrave and his friend Ambrose discuss the thin boundary that separates sorcery and the sacred Unable to agree about the nature of good and evil on what defines a sinner as opposed to a saint Ambrose offers his comrade a book to

borrow Surprisingly well kept for its age the green book accompanies Cotgrave on his journey home where he opens it to discover a strange mysterious tale Its pages contain the diary of a young girl who encouraged by her nurse immerses herself in the world of magic As she grows adept in the ways of witchcraft the girl begins referring to strange beings and unknown places all while doing her best to conceal her secret life from friends and family When he reaches the diary s end Cotgrave will wish he had never looked past its binding With a beautifully designed cover and professionally typeset manuscript this edition of Arthur Machen s The White People is a classic of British horror fiction reimagined for modern readers **Arthur Machen - Ultimate Collection: The Greatest Occult & Supernatural Classics** Arthur Machen,2023-12-30 Arthur Machen Ultimate Collection The Greatest Occult Supernatural Classics is a meticulously curated anthology that encapsulates the essence of Machen s profound influence on the realms of horror and supernatural literature Rich in atmospheric detail and philosophical depth the collection showcases Machen s signature style which blends poetic prose with unsettling themes Within its pages readers encounter grotesque yet sublime narratives that explore the boundaries of reality existence and the metaphysical revealing a world teeming with hidden wonders and primal fears The stories representative of the late Victorian and early modernist literary context not only highlight Machen s unique vision but also reflect the anxieties and mystical tendencies of his time Arthur Machen a Welsh author and mystic emerged as a pivotal figure in the growth of supernatural fiction His early career as a journalist and his deep engagement with the occult and mysticism profoundly informed his writing Machen was influenced by contemporary thinkers and artists which propelled him to explore the ineffable and create narratives that challenge the reader s perception of reality His works resonate with a sense of transcendental beauty while confronting the darkness that lies beneath the surface of ordinary life For readers seeking to delve into the mysterious and the uncanny Machen s Ultimate Collection is an indispensable volume It serves not only as an introduction to his outstanding oeuvre but also as a rich tapestry that interweaves themes of fear wonder and the unexplained This collection will captivate those enamored with the occult and enthusiasts of supernatural fiction encouraging them to question the depths of their own reality **Voyage to Himavat** Navdeep Jethi,2022-01-06 The one who is born has to die Is it applicable to human existence and the blue planet on which we live I am Shankar the ancient sailor Once upon a time when there were no Himalayas or the holy Ganga when even the humans were not the masters of the earth we had to escape towards a new destination in a vast ocean during the great war of nature and its creature to build the youngest mountain of the world But the voyage of life is not over yet as two new species are already evolving to replace humans after their extinction from the earth Vaidyanath a snow white physician of secret woods has declared me a peace warrior and a researcher of a secret to save the existence of the human race on this earth Will it be possible for me First of all I have no desire to be a saint or Baba and secondly I have little knowledge about pralaya If the world is proceeding to a destructive war what can a mortal human do about it Especially if he is not a politician baba or Superman Everything is unclear This voyage was not set in an ocean but in this new mortal

body to search for the true meaning of being alive

**Pharmaceutical Journal**; ,1902      **Hills of Eden** Jory Sherman,2012-07-10 Jory Sherman s first book for Gallivant Press The Hills of Eden is a deeply personal look at the green highlands of Missouri and Arkansas His work could easily be described as a travel book He does lead the reader down beautiful and poignant mountain highways and long forgotten back roads to places that reflect the timeless legacy and unforgettable characters of the Ozarks As he has written All the dirt roads lead somewhere and I have followed many of them since that first morning a wanderer and an explorer never expecting anything but always finding something of great value whether it be a diamond strewn creek in sunlight or a midnight river full of dancing stars or a verdant woodland glade Or maybe it s a memoir of the time Sherman spent in the highlands the time he says that was both mystical and magical as if the green spring hills were being born at just that moment as if they had lain dormant beneath a low sky full of heavy clouds waiting for that first kiss of sunlight waiting for me He has written These

green hills and memory percolates up through the thick layers of civilization in my mind The hills that first morning arose out of a thick mist like some Brigadoon stage set that appears only once in a span of years then disappears until another generation spawns Others may prefer to use The Hills of Eden as a devotional because the power and the passion of his writing the depth of his insights the raw energy of his thoughts are stimulating motivational and inspiring His words his stories those he met within the highlands remain firmly implanted in your mind long after the final pages have been read As Jory Sherman remembers I discovered long ago that it s not the things that last It s not the things we see and touch which endure in reality but the images of those things that are important to us that seem to mirror memories in the soul The images are those intangibles that we can summon from some deep place inside us and relive and enjoy again and again though we be far from home far from the hills and hollows that we have journeyed through to find our own truths our own personal mythology As reviewer Lee Kirk wrote This is the sort of book that may be pulled down again and again on those days when you re feeling blue or when you re somewhere else and need to smell and feel the Ozarks one more time

**The House of Souls** Arthur Machen,1922 The Great God Pan and The White People are classics of the horror genre while The Inmost Light is more conventional but still a damn good piece A Fragment of Life the only non horror tale in the collection has its tedious sections but this proves to be intentional as a rendering of the ephemera of life drowning out the beauty Machen s career though rarely less than entertaining eventually descended into lesser material going over the same ideas but The House of Souls is one of his essential books along with The Hill of Dreams Ornaments in Jade and The Three Impostors Uniquely powerful literature from a veritable visionary Jim Smith *Exploring Wild South Florida* Susan D. Jewell,2002 Offers a guide to the wildlife and natural areas of the Everglades the Florida Keys and other South Florida natural environments

*The Secrets of the Woods* Sara Beth Harper,2017-03-29 Leaving their rough street life behind five children escape into the forest which turns out to be more dangerous than their former life had been Evil goblins the orcs and their dogs track them through the wilderness desiring the magic piece they unwittingly acquired when Michael promised a dying boy he would deliver it to Camelot They didnt know the danger that dogged the footsteps of the person that possessed it Scared lost and confused they stumble through the days trying to find answers though they could trust no one They find their inner strength and determination and vicious will to survive They find friends when they need them the most and they find love and happiness at the most unexpected places They overcome fear and hate and finally know they are here for a reason when their unexpected surprising identity comes to light
