Joseph D. Kuzma

Secret Intimacy:

Secrets Jacob Vance, 2014-09-11 In *Secrets Humanism Mysticism and Evangelism in Erasmus of Rotterdam* Bishop Guillaume Briçonnet and Marguerite de Navarre Jacob Vance argues that Erasmus and French Evangelical humanists made secrecy central to their literary thought They revived Scriptural medieval and early Renaissance notions of secrecy in their spiritual and profane literature to advance the reforms in church and society that they advocated Erasmus Briçonnet and Marguerite expanded on Origenian Augustinian and pseudo Dionysian concepts of divine mystery as being secret throughout their works By developing the idea that the divine remains both transcendent and immanent in the world of creation these humanists explored through literature how the human spirit can either accede or fail to accede to the secrets of Christian wisdom

Intimacy in Cinema David Roche, Isabelle Schmitt-Pitiot, 2014-10-03 Though intimacy has been a wide concern in the humanities it has received little critical attention in film studies This collection of new essays investigates both the potential intimacy of cinema as a medium and the possibility of a cinema of intimacy where it is least expected As a notion defined by binaries inside and outside surface and depth public and private self and other intimacy because it implies sharing calls into question the boundaries between these extremes and the border separating mainstream cinema and independent or auteur cinema Following on Thomas Elsaesser's theories of the relationship between the intimacy of cinema and the cinema of intimacy the essays explore intimacy in silent and classic Hollywood movies underground documentary and animation films and contemporary Hollywood British Canadian and Australian cinema from a variety of approaches

Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters *Into His Presence* is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture

Warren Smith,2015-03-10 We have all had the experience of being at church and hearing the pastor say And now with the confidence of children we are bold to pray Our Father but before we know it we are saying for Thine is the kingdom and the power and

the glory forever Amen In the very moment of intimacy when we are given the privilege of entering the presence of our heavenly Father our minds have drifted off We speak the words of the prayer not from our hearts but from the autopilot of memory This is mere recitation not prayer If in relationships familiarity breeds contempt in the case of the Lord s Prayer familiarity breeds thoughtlessness The Lord s Prayer Confessing the New Covenant is not a Bible study in the traditional sense It challenges us to think about the Lord s Prayer anew by understanding it as a confession of the New Covenant that Christ makes with us when we are made children of God in baptism In hearing these familiar words afresh we learn to remember our baptismal covenant so that we might live more fully into that new relationship with God and with one another

The Congregationalist ,1913 *Intimate Ties* Robert Musil,2019-05-28 A master of high modernist literature explores female sexuality and desire through the eyes of two women one married and unfaithful the other caught in a love triangle in these two erotic novellas First published in 1911 *Intimate Ties* is Robert Musil s second book consisting of two novellas *The Culmination of Love* and *The Temptation of Silent Veronica* Each revolves around a troubled woman in the throes of her sexual and romantic woes as their memories of the past return to influence their present desires Musil tracks the psyche of his protagonists in a blurring of impressions that is reflected in his experimental prose *Intimate Ties* offers the reader an early glimpse of the high modernist style Musil would perfect in his magnum opus *The Man Without Qualities* *The Eroticization of Distance* Joseph D. Kuzma,2016-07-26 In *The Eroticization of Distance* Nietzsche Blanchot and the Legacy of Courtly Love Joseph D Kuzma explores the significance of courtly erotic themes in Friedrich Nietzsche s mature philosophy and in Maurice Blanchot s writings of the 1940s and early 1950s Rather than offering an account of erotic relationality that prioritizes reconciliation fulfillment or release Nietzsche attempts to formulate a nonteleological eroticism that aims at nothing but the perpetual intensification of desire Kuzma suggests that it is Blanchot who carries Nietzsche s courtly erotic tendencies to their most provocative point by highlighting potentials for intimate relationality that might be established through a shared experience of dispossession and loss This first monograph to engage specifically with the theme of eroticism in Blanchot s writings will be of interest not only to students and scholars of Nietzsche Blanchot or French philosophy but also anyone interested in the philosophy of sexuality the history of love theories of the emotions or nineteenth and twentieth century European thought more generally [The Ministry, Vol. 10, No. 03](#) Various Authors,2006-06-01 This issue of *The Ministry* contains a complete record of the six messages given during the 2005 Thanksgiving Weekend Conference held in Atlanta Georgia November 24 27 2005 The general subject of the conference was the Lord s coming The burden of these messages can be summarized in the following four statements 1 we need to be purified and reconstituted with the healing Christ in the last days for His coming 2 if we pay the price to allow the Spirit to saturate our entire being we are watchful persons making ourselves ready for the Lord s coming 3 in order to enter into the joy of the Lord in the coming age of the kingdom we need to pay the price in this age by losing our soul life and 4 all those who are used by God to turn the

age must be Nazarites voluntarily consecrated ones who are sanctified absolutely and ultimately to God Lastly we also include two reports a report concerning the Lord's move in Ethiopia and a report concerning two seminars held in eastern Europe in the countries of Poland and Romania

An American Tragedy Paul A. Orlov,1998 This book's premise is that a novel's ideas about the human drama are not necessarily the same as those its author consciously holds meaning that a close reading of Theodore Dreiser's artistic portrayal of modern America in *An American Tragedy* reveals the idea that he transcends the empirical premises of his presumed naturalistic thought to affirm the reality of the self and the importance of selfhood Based on this crucial premise and intensive analysis of the novel's text Professor Orlov's study develops an argument offering many original views of the Tragedy's meanings and artistry There is new light here on the fact that Dreiser sees the subversion of the idea of self in a highly materialistic society as the heart of his characters' tragic experiences Ultimately then this study suggests that *An American Tragedy* is an antinaturalistic statement about the self's intrinsic importance
