explanation of Mahayana Buddhism that has been written Specifically it is a wonderfully lucid account of the Middle Way method of enlightenment worked out by the great Indian sage Nagarjuna Alan Watts The Book The Secret Oral Teachings in Tibetan Buddhist Sects by Alexandra David Neel and Lama Yongden is always on my night stand I return to it again and again in different stages of my life Marina Abramovic David Neel herself is often relegated to the ranks of women adventurers this despite the production of some forty odd books several of which have wielded an extraordinary influence Harry Oldmeadow La Trobe University Bendigo Australia The Secret Oral Teachings in Tibetan Buddhist Sects Alexandra David-Neel (Orientalist), Albert Arthur Yongden (Mönch), 193? **The Sacred Life of Modernist Literature** Allan Kilner-Johnson, 2022-06-16 Probing the relationship between modernist literary experimentation and several key strands of occult practice which emerged in Europe from roughly 1894 to 1944 this book sets the work of leading modernist writers alongside lesser known female writers and writers in languages other than English to more fully portray the aesthetic and philosophical connections between modernism and the occult Although the early decades of the twentieth century the era of cocktails motorcars bobbed hair and war are often described as a period of newness and innovation many writers of the time found inspiration and visionary brilliance by turning to the mysterious occult past This book's principle intervention is to reimagine the contours and boundaries of literary modernism by welcoming into the conversation a number of significant female writers and writers in languages other than English who are often still relegated to the fringes of modernist studies Well remembered poets and novelists such as Ezra Pound W B Yeats and Aleister Crowley were tied to occult beliefs and this book sets these leading figures alongside less well remembered but equally splendid modernists including Paul Brunton Mary Butts Alexandra David Neel Florence Farr Dion Fortune Hermann Hesse and Rudolf Steiner From the little magazines where occultism and Fabianism were comfortable companions to consulting rooms of psychoanalysts where archetypes were revealed to be both mystical and mundane to the forbidden mountain trails that led to formidable spiritual teachers the conditions of modernism were invariably those conditions which inspired a return to the occult traditions that many thinkers believed had long evaporated Indeed in many ways these traditions were the making of the modern world By uncovering hidden hopes and anxieties that faced a newly modern Western Europe this book demonstrates how literary modernists understood occultism as a universal form of cultural expression which has inspired creative exuberance since the dawn of civilisation **How I Clobbered Every Cash-Confiscatory Agency Known To Man** M.E. Croft, **History as Mystery** Michael Parenti, 2016-08-22 In a lively challenge to mainstream history Michael Parenti does battle with a number of mass marketed historical myths He shows how history's victors distort and suppress the documentary record in order to perpetuate their power and privilege And he demonstrates how historians are influenced by the professional and class environment in which they work Pursuing themes ranging from antiquity to modern times from the Inquisition and Joan of Arc to the anti labor bias of present day history books History as Mystery demonstrates how past and present can inform

each other and how history can be a truly exciting and engaging subject Michael Parenti always provocative and eloquent gives us a lively as well as valuable critique of orthodoxy posing as history Howard Zinn author of A People's History of the United States Deserves to become an instant classic Bertell Ollman author of Dialectical Investigations Those who keep secret the past and lie about it condemn us to repeat it Michael Parenti unveils the history of falsified history from the early Christian church to the present a fascinating darkly revelatory tale Daniel Ellsberg author of The Pentagon Papers Solid if surely controversial stuff Kirkus

America Besieged Michael Parenti, 1998-05 America Besieged deals with the underlying forces within U S society that deeply affect our lives Showing how we are being misled and harmed by those who profess to have our interests at heart Michael Parenti writes We are indeed a nation besieged not from without but from within not subverted from below but from above the moneyed power exercises a near monopoly influence over our political life over the economy the state and the media Some Americans are astonished to hear of it Others have had their suspicions although they may not be quite sure how it all adds up This book invites the reader to stop blaming the powerless and poor and in that good old American phrase start following the money That is the first and most important step toward lifting the siege and bringing democracy back to life Michael Parenti one of America's most astute and entertaining political analysts is the author of Against Empire Dirty Truths Blackshirts and Reds Rational Fascism and the Overthrow of Communism Democracy for the Few Land of Idols Political Mythology in America and many other books
