## **Secret Places New Writing From Nepal:**

*Secret Places* Frank Stewart, Samrat Upadhyay, Manjushree Thapa, 2001 Prior to Nepal's constitutional reforms in 1990 poets and fiction writers were often jailed and censored for speaking out. Nevertheless they developed ways to discuss social and political issues in their creative works and to express the lives of Nepal's diverse peoples. Nepali authors in *Secret Places* include Shailendra Sakar Majumdar, Peter J. Karthak, Kesang Tseten and Manu Brajaki. The volume also contains an informative interview with Mohan Koirala, one of Nepal's most respected poets, and Samrat's essay *A Kingdom Orphaned* about the effects of the massacre of the royal family on the country and its people.

*House of Snow* Ellen Parnavelas, 2016-08-11 A ground-breaking collection of stories, poems and articles about Nepal covering the length and breadth of this enchanting nation and its people. If you want a book in English that tells you about Nepalese thinking and gives a taste of the country's contemporary literature, you could hardly do better than *House of Snow*. Daily Telegraph. One of the finest books I have read this year. Nudge Books. A well-curated sliver of works that highlight the richness and variety of Nepal's literary contribution. Kathmandu Post. In 2015 Sagarmatha frowned. Tectonic plates moved. A deadly earthquake devastated Nepal. In the wake of disaster, *House of Snow* brings together over 50 excerpts of fiction and non-fiction celebrating the breathtaking landscapes and rich cultural heritage of this fascinating country. Here are explorers and mountaineers, poets and political journalists, national treasures and international celebrities. Featuring a diverse cast of writers such as Michael Palin and Jon Krakauer, Lakshmi Prasad Devkota and Lil Bahadur Chettri, all hand-picked by well-known authors and scholars of Nepali literature including Samrat Upadhyay, Michael Hutt, Isabella Tree and Thomas Bell. *House of Snow* is the biggest, most comprehensive and most beautiful collection of writing about Nepal in print.

*Asian Interventions in Global Shakespeare* Poonam Trivedi, Paromita Chakravarti, Ted Motohashi, 2020-11-16 This volume critically analyses and theorises Asian interventions in the expanding phenomenon of Global Shakespeare. It interrogates Shakespeare's universality from Asian perspectives: how this has been modified or even replaced by the global bard as a recognisable brand, and how Asian Shakespeares have contributed to or subverted this process by both facilitating the worldwide dissemination of the bard's plays and challenging and resisting the very templates through which they become globally legible. Critically acclaimed Asian productions have prominently figured at premier Western festivals, and popular Asian appropriations like Bollywood, manga and anime have created new kinds of globally accessible Shakespeare. Essays in this collection engage with the emergent critical issues, the efficacy of definitions of the local, global, transnational and cosmopolitan, and of the liminalities and mobilities in between. They further examine the politics of West and East, the evolving markers of the Asian, and the equation of the global with the Asian: they attend to performance and archiving protocols and bring the current debates on translation, appropriation and world literature to speak to the concerns of global and transnational Shakespeare. These investigations analyse recent innovative Asian theatre productions, popular cinematic and manga appropriations, and the increasing presence of
