spirit Plotinus has told us in a beautiful passage that a We must not be surprised that that which excites the keenest of longings is without any form even spiritual form since the soul itself when inflamed with love for it puts off all the form which it had even that which belongs to the spiritual world The inability to describe to the uninitiated the secret love of the mystic for the Unknowable is made the subject of an exquisite poem by the Indian poet Tagore I boasted among men that I had known you They see your picture in all works of mine They come and ask me who is he I know not how to answer them I say Indeed I cannot tell They blame me and they go away in scorn And you sit there smiling I put my tales of you into lasting songs The secret gushes out from my heart They come and ask me Tell me all your meaning I know not how to answer them I say Ah who knows what they mean They smile and go away in utter scorn And you sit there smiling **The Secret Rose**
