**Secret Seas** Carlos Eyles,1999-07-27 This book takes us to the far corners of the heart and mind as well as the ocean's realm. The scale is grand, the adventure is high, and the background of the Sea of Cortez is spectacular as it must have been in those early days. **The Secret of the East** Oliver Huckel,1924 **A Secret of the North Sea** Algernon Gissing,1900

**Sea Stories** Joseph Conrad,1998 Includes three stories where characters are tested by dramatic events that show in the light of day the inner worth of a man, the edge of his temper, and the fibre of his stuff that reveal the quality of his resistance and the secret stuff of his pretences not only to others but also to himself. **The Secret Sharer and Other Stories**

**(Norton Critical Editions)** Joseph Conrad,2015-08-03 This Norton Critical Edition includes four stories: two set on stormy seas, two on calm seas, all four based on the same incident that speak to each other in interesting ways. The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them. In his Author's Note to *Twixt Land and Sea*, Conrad writes of his two Calm pieces, *The Secret Sharer* and *The Shadow Line*, and his two Storm pieces, *The Nigger of the Narcissus* and *Typhoon*. This edition is based on the first English book edition for the stories and the first American edition for the Author's Note for *The Shadow Line*, *Typhoon*, and *The Secret Sharer*. The stories are accompanied by explanatory annotations, a note on the texts including a list of textual emendations, and a preface. *Backgrounds and Contexts* brings together relevant correspondence and contemporary reviews from both British and American sources. Also included are documents related to Conrad's sources for the stories, among them Charles Arthur Sankey's *Ordeal of the Cutty Sark: A True Story of Mutiny, Murder on the High Seas*. To help readers navigate, the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories. *Criticism* includes fifteen essays representing both new and established voices. The essays are arranged by story, with the focus on Conrad's major themes: colonialism, narrative, gender, and race. Albert J. Guerard, Lillian Nayder, Mark D. Larabee, Fredric Jameson, F. R. Leavis, and John G. Peters are among the contributors. A chronology of Conrad's life and work and a selected bibliography are also included. Catalogue of the
